VISITORS

Ill.: Brother Frederic B. Stevens, P.: Gr.: Lieut.: Commander, Supreme Council, Northern Jurisdiction, U.S.A. and

Ill.: Brother Melville M. Johnson, Active Member of that Council for Massachusetts, were introduced by Ill.: Bro.: George Moore.

Ill.: Brother John H. Cowles, M.:P.: Sov.: Gr.: Commander, Supreme Council Southern Jurisdiction, U.S.A., was introduced by P.: Lieut.: Gr.: Commander F. J. Howell.

Ill.: Brother Clarence S. Hammatt, Deputy of that Council for Florida, was introduced by Ill.: Bro.: Harry H. Watson.

The Sov.: Gr.: Commander greeted them with cordial and earnest words of welcome and strong assurance of deep fraternal and intimate personal friendship.

The Supreme Council was called off and a Lodge of Perfection 14° declared open. Many brethren of the Rite who had been in waiting were thereupon admitted to the chamber.

The Sovereign Grand Commander then delivered his Annual Address as follows:

To the Supreme Council of the Ancient and Accepted Scottish
Rite for the Dominion of Canada.

Illustrious Brethren :

As I greet you in the City of Montreal the Grand Orient of our Rite, the thought that imbues my welcome to you is that of the irresistible passage of time. Time is granted to each of us, share and share alike, by God's level hand of justice, so that no one has a fraction of a second more than another, to use for good or evil or to waste.

Nothing is more beneficial to an ardent desire to live this life to its full than a thorough appreciation of time's passage and the use to which we put it. Each of us has exactly the same number of seconds to the hour, but how fully do we utilize them to the greatest extent? Were it not for time's division into days and months and years it would be easy to appreciate the views of those who maintain its non-existence. Were it not for the regularity of the meetings of this Council how could we compare the results of our activities with times gone by and determine what, if any, progress we are making? Not only do these meetings mark the flight of time but in addition encourage us to utilize all our opportunities to make the best of life.

In this strain must I welcome you, for no one is more impressed with the flight of time and the failure of most of us to utilize it to the utmost than he who now addresses you. I can hardly realize that my period of office is ended. At my first election the term of office seemed so long with so little to do. At present I feel the feebleness of my efforts and the immensity of the work left by me for my successor. For the opportunities you have afforded me to do something for the Ancient and Accepted Scottish Rite I feel sincerely grateful. For the little accomplished I ask your charity, assuring you that my defaults have not been intentional and that the motive for all my actions has only been a disinterested desire to further the interests of our Rite.

The year just completed from a national and economic point of view has been another period of reconstruction and readjustment. The uncertainty of such an abnormal condition has been reflected to a degree in the position in which we find ourselves both numerically and financially as appears by the reports of the Grand Secretary and the Grand Treasurer shortly to be presented to you.

Necrology

Since our last session two of our Active Members and three of our Honorary Members have passed the end of life's journey.

On Christmas Day, December 25th, 1930, Ill. Bro. John Crawford Scott 33°, died at his home in Ottawa and only recently on the 27th day of August, 1931, Ill. Bro. Albert Edward Cooper 33°, passed away at the City of London. We will sorely miss the presence of these our brethren on this occasion as their long Masonic experience made their judgment and advice in all matters of great benefit to us.

Among the Honorary Members we will mourn Ill. Bro. George William Taylor 33°, of Burlington, who died on the 27th day of January, 1931. Ill. Bro. Hedley Clarence Taylor 33°, who died on the 23rd day of February, 1931, and Ill. Bro. John Strickler Martin 33°, of Port Dover who died on the 13th day of May, 1931.

These brethren all gave invaluable service to our Craft and their loss will be felt by us for years to come. I recommend that suitable memorial pages commemorating the lives of our deceased members be prepared and printed in our proceedings.

We have also been bereaved by the death of members of the Supreme Councils of the United States of America who for years have been Honorary Members of the Supreme Council for the Dominion of Canada, in the persons of Ill. Bro. George Fleming Moore 33°, and Ill. Bro. James Isaac Buchanan 33°.

At the age of eighty-two years Ill. Bro. George Fleming Moore 33°, died on December 4th, 1930. He had a most distinguished Masonic career which commenced under the active leadership of Ill. Bro. Albert Pike 33°. In 1914 he was elected Sovereign Grand Commander of the Supreme Council of the Southern Jurisdiction of the United States of America and held that office until ill health forced him to vacate in 1921. He was active in literary and legal work until the time of his death.

In Ill. Bro. James Isaac Buchanan 33°, Canada had a son of whom she might well be proud. He was born in the City of Hamilton, Ontario, on August 3, 1853, was educated there and began a most successful business life in that city.

Like many other brilliant Canadians he was attracted to the United States where he entered upon a most distinguished career. His activities found expression in the world of finance, religion, education and Masonry. At all times in his long life he was proud to acknowledge his Canadian birth and associations. We were proud to have Bro. Buchanan accept Honorary Membership in our body and his death brings heartfelt sorrow to all of us. In his death we lose another link with the early days of Scottish Rite Masonry in Canada as well as in the United States. Bro. Buchanan died in Pittsburgh on the second day of January, 1931, and Ill. Bro. W. M. Logan 33°, represented this Supreme Council at his funeral.

Dispensations

One Bro. William Donald Hurst who resides in the City of Winnipeg accepted the position of Assistant Professor in the Virginia Polytechnic Institute while completing his professional training preparatory to associating himself in the engineering and construction business with his father who is a member of the Winnipeg Lodge of Perfection. Bro. Hurst expected to remain in Virginia for about two years before returning to his home in Winnipeg. The Illustrious Deputy for Manitoba requested that the M.:P.: Sov.: Grand Commander of the S.:M.:J.: U.S.A. be asked to authorize Roanoke Lodge of Perfection at Roanoke, Virginia, to confer upon this Mason the degrees from the 4th to the 14th, he having been regularly accepted by the Winnipeg Lodge of Perfection and

having paid the required fee. I immediately acted upon this request and I am pleased to inform you that the Sovereign Grand Commander of the Southern Masonic Jurisdiction granted my request and later informed me that the degrees were conferred upon our brother on the 11th day of November last.

On the 19th day of March, 1931, I granted a waiver of jurisdiction over Bro. R. W. Wride, a physician, Bro. David W. Wilson, a river pilot, Bro. York Wilson, a clerk, Bro. Alfred Dickson, fur farmer, and Bro. C. L. Herchman, mining engineer. This waiver was granted by me at the request of the Sovereign Grand Commander of the Southern Jurisdiction of the United States of America, who wrote me as follows:

"These brethren are on the Canadian side of Alaska. It is some two thousand miles to your nearest Canadian bodies and it is more than probable that they would never have the time or be able to stand the expense of visiting the nearest bodies in Canada to receive the degrees.

"I know that this is quite a number to ask for waiver of jurisdiction over but they can be of vast help in building up our bodies in Alaska and it might be a little later on a sufficient number of them would receive the degrees to justify you in starting the Scottish Rite bodies in that part of Alaska in your jurisdiction."

The circumstances surrounding this incident were such as made me feel that we should have been the petitioner for the privilege asked rather than be the recipient of a request for a waiver. The incident not only recalls to us the great extent of our jurisdiction and the inaccessibility of many of its parts but also impresses us again with the extreme cordiality and kindness of our American brethren. These interjurisdictional courtesies are of the greatest influence in cementing our friendship and respect for the two great Scottish Rite bodies to the south of us.

Rulings

I have found it necessary to impress the necessity for a strict adherence to the statutes and regulations particularly Article 65. I held that an elective office cannot be filled by an appointment made by the Thrice Puissant Grand Master. An elective office remains an elective office notwithstanding its temporary vacancy and it is the duty of the presiding officer to strictly adhere to the statute and hold an election to fill the vacancy as early as it is possible to hold such an election, namely, at the next regular meeting after due notice. In the

case of a vacancy in an appointed office the presiding officer's power to appoint continues throughout the year and he can exercise this power from time to time as circumstances warrant when vacancies occur.

A similar consideration arose where a T.:P.:G.:M.: on account of an official Government appointment found it necessary to resign office after election but before installation. Of course I ruled that a new election must be held in the regular way after due notice had been given.

I found it necessary to recall to the brethren that the warrant for a subordinate lodge cannot be taken away from the lodge room and used as authority to hold meetings elsewhere. I ruled that without a dispensation from the Sovereign Grand Commander, which should be granted only in very special circumstances, no subordinate body has a right to hold a meeting to confer degrees or for any other purpose except in the Valley or locality in which it is established by its charter or warrant of constitution.

In December 1927 we had printed and distributed among the officers of our subordinate bodies, as well as to the members of Supreme Council a pamphlet entitled "Special Provisions and General Formulas".

I had thought that the matters referred to were very generally known but find that the reference in that pamphlet to the method to be observed in taking the vow before the conclusion of a meeting gave rise to some perplexity.

When the matter was recently submitted to me I pointed out that it was our fixed and unalterable rule that in all meetings of our subordinate bodies the vow must be taken individually by every member present before the meeting is adjourned. Only one exception to this rule is permitted and that exception is when the meeting is so large that it is not practicable to observe the ritual.

I am mentioning the matter to you in case the exception may have been confused with the rule itself. It may be more convenient to follow the exception but the rule must be adhered to. The exception is permitted only where the rule cannot be followed without confusion and lack of dignity. I have known of many meetings and no doubt each of you have known of many, where in an overcrowded lodge room, it would be impossible to observe the ritual and preserve the degree of order and dignity at all times expected. To cover such occasions and only to cover such occasions is any exception made to the ritual.

On March 9th of this year I sent to the various deputies a letter which is self-explanatory :

“Until very recent years no effort was made by Supreme Council to obtain a complete record of the personal data including the Masonic, professional and public activities of its members. Although never lax to the extent of being unaware of the qualifications of those it chose, Supreme Council has made no permanent record of these matters.

“Consequently our Grand Secretary is not always aware of the qualifications of our different members for any particular work they might be called upon to perform and difficulty is also experienced when the Grim Reaper lays his hand upon one of us to obtain a complete history of the lifelong activities of the deceased. In large centres of population it is not difficult to obtain a complete record of a member’s activities but in the smaller centres it is sometimes quite difficult and places the enquirer in an awkward and uncomfortable position when he must approach those nearest and dearest to the deceased to find out what his Masonic and public activities have been.

“To overcome these difficulties I have deemed it in the best interest of Supreme Council that the Deputies should obtain from each Active and Honorary member of Supreme Council resident within his jurisdiction a complete record showing the date and place of birth and particulars of his educational, professional, public and Masonic activities for the purpose of having the same recorded with the Grand Secretary.

“May I also request that in all cases of death the full particulars of the event be at once forwarded to the Grand Secretary and also to the Sovereign Grand Commander. I have known cases where we have been bereaved and had no knowledge of it until months had passed. This laxity is inexcusable and would seem to indicate that we are not sufficiently interested in our members. I am particularly anxious that this should not occur again.

“Will you kindly acknowledge receipt of this letter and obtain at your earliest convenience, but at least within two months, the desired information from each and every member of Supreme Council in your jurisdiction.”

I am sorry to state that while there has been a good response to this letter there has not been unanimous action. I hope however that before this Council meeting is concluded all the information requested will have been fully given.

Mourning Ribbon

The wearing of mourning ribbon by members of our Rite is an old custom antedating the memory of most of us. It is founded on sentiment and respect for those who have passed away. Without a sanction that has ever been exercised the custom has continued throughout the years with variations in the various subordinate jurisdictions. I can find no regulation relative to the length of time our mourning ribbon should be worn nor have the occasions been specified for its use.

In 1890 M.:P.: Sov.: Grand Commander John Valentine Ellis appointed a committee and referred to it the consideration of the use of a mourning badge. In 1891 this special committee recommended that black upon red be adopted as a mourning badge and on motion made in this Council the recommendation was adopted.

This recommendation has been acted upon in very many different ways. I have known it to be used as a mark of respect to the memory of those who died as members only of Lodges of Perfection, Chapters of Rose Croix and Consistories and usually of course it is worn on the occasion of the death of a member of our Council. The lack of uniformity in the use of the ribbon has prompted me to suggest the necessity for some definite ruling which might be incorporated in our statutes and regulations.

At our Maundy Thursday service due reference is always made to those who have departed. There is also the invariable custom of formal notice being taken of the death of every member of our Rite in the subordinate bodies to which the deceased belonged. Furthermore, were the ribbon worn on the occasion of the death of every member in any of the subordinate bodies I am inclined to think that it would form a permanent part of our clothing. For these reasons I recommend:

(a) That upon the death of an Honorary Member of Supreme Council the Deputy for the Province in which the deceased resided shall immediately notify the Secretary-General and forward to him an obituary of the deceased to be published in the proceedings of Supreme Council after which it shall be read in all bodies of the Rite in that Province. In addition, the mourning ribbon shall be worn by all members of the Rite in that province for a period of thirty days after notice shall have been received.

(b) That upon the death of an Active Member of this Supreme Council the Deputy for the Province in which the deceased resided shall immediately notify the Secretary-General, and the Sovereign Grand Commander shall compose or cause to be composed an obituary of the deceased which shall be published in the proceedings of Supreme Council and copies mailed to all members of Supreme Council and all presiding officers and secretaries of subordinate bodies and read in all bodies of the Rite throughout our jurisdiction. In addition the mourning ribbon shall be worn by all members of our Rite for a period of thirty days after notice of the death of the deceased.

It seems to me that the adoption of such a recommendation by this Supreme Council will lead to a uniformity of practice throughout the jurisdiction which is in every way desirable.

Visitations

During the year just closed I have kept in touch with our members in the different provinces by means of correspondence with our Illustrious Deputies. My visits have been few and were only made where it was felt that the presence of the Sovereign Grand Commander would be productive of special good. Where workmen carry on with great skill and close attention to their duties the presence of the overseer is not necessary except on rare occasions where it may be advisable for him to prove his existence by appearing before them. It is in this spirit that I believe the visits of the Sovereign Grand Commander should not be too numerous as the importance of his office seems to place a considerable burden of entertainment and hospitality upon those with whom he visits, a burden which should not be too often imposed. The few visits that I have paid have been most successful and happy.

At Niagara Falls I was accompanied by Ill. Bro. John A. Rowland 33°, and Ill. Bro. Joseph F. Molloy 32°, the T : P : G : M : of the Toronto Lodge of Perfection, and a large number of enthusiastic workers. You will hear more of this meeting from Ill. Bro. George Moore 33°, Illustrious Deputy for Ontario, who graced the occasion with his presence, accompanied by Ill. Bro. J. E. Riddell, Jr., the T : P : G : M : of Murton Lodge of Perfection, Ill. Bro. L. F. Stephens 33°, Commander-in-Chief of Moore Consistory, and many other Hamilton brethren.

At London Ill. Bro. John B. Goff 32°, Most Wise Sovereign of Toronto Chapter of Rose Croix, with his full quota of officers accompanied me and worked the 18°. The exchange of visits between the subordinate bodies does much to add to the stability of the Rite.

I have pleasure in recalling my visit to Montreal no February 27th last, when with the able assistance of Ill. Bro. L. F. Riggs 33°, I consecrated and dedicated the A.: & A.:S.:R.: quarters in this Memorial Masonic Temple. Attending the meeting on that occasion were the following Active Members from the Province of Quebec: M.: P.: Bro.: J. Alex. Cameron, 33°, and Ill.: Bros.: A. F. C. Ross 33°, Alexander McDougall 33°, Frank Charters 33° and Arthur B. Wood 33°.

On May 19th and 20th it was my privilege to attend the reunion of the Saint John Lodge of Perfection in the city of Saint John, N.B. I was accompanied by Ill. Bro. L. F. Riggs 33°, who on all occasions is of great assistance to me and helps to lighten the burden of my duties. On the eve of the reunion in the presence of a splendid audience I consecrated and dedicated the recently completed Scottish Rite Lodge Rooms in the new Masonic Temple. The pleasure of the occasion will always impress itself on my memory as one of the happiest events of my term as Sovereign Grand Commander. Ill. Bro. Cairns 33°, our Deputy for New Brunswick, is to be congratulated on his selection of members of our Council. The character of these men has maintained the prestige of the east. They represent their province in a manner second to none.

Ill. Bro. J. H. Winfield 33°, our Deputy for Nova Scotia and Prince Edward Island, honoured the Valley of Saint John by his presence and accompanied us to Halifax where we were warmly welcomed and most hospitably entertained.

You will be glad to know that Ill. Bro. W. M. Logan 33° at my request represented this Supreme Council at a meeting in the city of Winnipeg on the 21st of November last when the fiftieth anniversary of the establishment of the Rite in Winnipeg was celebrated. I would like Ill. Bro. Logan to report to you direct regarding this event. I only mention it to record the fact that our zealous and capable brother made such a good impression that the Ill. Deputy for Manitoba took pains to write and express his pleasure at the able manner in which Supreme Council was represented on this occasion. Men like

Ill. Bro. Logan and Ill. Bro. Riggs use their great ability in such a whole-hearted devotion to the Rite as to set an example which most of us find difficulty in emulating.

I attended the meeting of the Supreme Council of the Northern Jurisdiction of the United States of America held in the City of Detroit on Tuesday the 15th of September, 1931. M.:P.: Bro. Leon M. Abbott, Sovereign Grand Commander of that Supreme Council, presided. Those of you who accompanied me will long remember the kindly and sincere manner in which we were received and the pleasant entertainment extended to us during our visit. Their meeting was marked by a very large attendance and a keen interest was indicated in all matters brought up for discussion. Our brethren to the south have many problems akin to those that engage our attention and their meetings are full of interest and instruction.

At the International Conference of the Supreme Councils of the World held in 1929 in Paris where I was privileged to attend as your representative it was urged that each Supreme Council forward to the International body a complete record of its history. Unfortunately we have no suitable record to forward. I recommend that the History of our Supreme Council from its institution be prepared as soon as possible and that a committee consisting of Ill. Bros. W. M. Logan, John A. Rowland, and W. H. Ballard be appointed to take this work in hand.

I realize I am imposing a heavy charge and responsibility on these brethren but I feel that this burden is placed on capable shoulders quite equal to the task.

Before concluding I desire to make an appeal through you to the Scottish Rite Masons of our entire jurisdiction.

We Canadians have passed through troublesome times in our economic history but I believe we are on the threshold of a social and economic condition new in its severity. The world owes every man a living if he is willing to work for it. Unfortunately our economic progress and social evolution have been very slow and periodically we see the sorrowful situation of men willing to work and unable to find work. Such a serious maladjustment confronts us today and in the immediate future will, I fear, cause sore hardship and strained faith for many of our fellows. An empty stomach with loved ones feeling the pangs of hunger and want creates in an independent and self-respecting man a feeling of antagonism and blind rage with which we must do more than sympathize.

It behooves every Scottish Rite Mason in particular to prove the value of his Masonic education—to assist the needy, to shield the afflicted and to succor the oppressed. Never before in our lives will the demand for sympathetic charity have been so great. There will be no welcome opportunity for martyrdom—no glory in wounds received in combat—no acclaimed victory over an organized and truculent foe. The only reward will be the satisfaction of proving that Masonry is benevolent action and not inertness. The prize will be God's blessing on him who helps his fellow.

May the severity of our times rekindle our ardor and reconcile us to make sacrifices to an extent previously unknown. No excuse will justify Masonry in remaining aloof and blind to the suffering that, I believe, will be seen during the coming months. Every Mason must assume the burden of assisting his fellow citizens, Masons and non-Masons, in their hour of need.

I sincerely hope that this appeal will not go unheeded but that as it spreads from coast to coast in Canada it may revitalize our members and cause them to rededicate themselves to the highest mission of which man is capable—to assist those who as a result of circumstances over which they have no control, are unable to assist themselves.

I have the honor to submit my report as Deputy for Ontario for the year ending June 30th, 1931. During the year this Supreme Council has been bereaved by the passing of Ill.: Bro.: John C. Scott, 33°, Active Member, Ottawa, Ill.: Bro.: John H. Dunlop, 33°, Richmond Hill, Ill.: Bro.: George W. Taylor, 33°, Burlington, Ill.: Bro.: John S. Martin, 33°, Port Dover, and on August 27th there was flashed word of the passing of Ill.: Bro.: A. E. Cooper, 33° of London, Ontario, Active member of this Supreme Council.

We also mourn the loss of Ill.: Bro.: James Isaac Buchanan, 33°, of Pittsburgh, Pa., Active member of the Supreme Council for the N.M.J., U.S.A., Honorary Member of the Supreme Council for the Dominion of Canada and of the Bodies of the Rite in the Valley of Hamilton, Ontario. Ill.: Bro.: John P. Hazlett, 33°, Youngstown, Ohio, a member of the Supreme Council for the N.M.J., U.S.A., Honorary Member of the Bodies of the Rite in the Valley of Hamilton, Ontario.

To all the relatives and friends of our departed brethren we desire to express our sincere sympathy.

Rose Croix Chapters total admissions number 172, a decrease of 34. Affiliations 1.

Deaths number 67, the same as previous year, withdrawals 11. a decrease of 6. Suspensions 64, an increase of 43.

The total number of deaths, withdrawals and Suspensions in Rose Croix Chapters number 142, an increase of 37.

Chapters showing increased membership, Hamilton 29; North Bay 17; Guelph 12; Peterborough 10; Kingston 8; Barrie 8; Fort William 7; Toronto 6; Ottawa 4.

Chapters showing decreased membership:—London 45; Sault Ste. Marie 3; Windsor 22.

The total increase in membership in Rose Croix Chapters number 31; compared with the previous year this is a decrease of 72.

The Consistory had a very interesting season and although classes were much smaller than usual, yet enthusiasm was maintained and attendance was improved. Officers are all competent and workers in degrees are putting their best into the work, harmony prevails and the members are happy. The increase in membership amounts to 27, compared with the previous year this is a decrease of 86.

The year was enlivened on two occasions when Buffalo Consistory visited Hamilton and beautifully exemplified the 25° and 32°, Moore Consistory Hamilton visited Buffalo Consistory and exemplified the 20°; these visits were wonderful events and delighted the brethren who witnessed the work.

We rejoice that the Ceremonies on Maundy Thursday and Easter Sunday were a great success and the attendance was greatly increased.

We are very grateful to all the Clergy Brethren who so generously contributed to the enjoyment of the ceremonies also to those of our members who either by address or music added to the success, and we do not forget Ill. Bro. John A. Rowland, 33° for his address to the Ottawa Brethren and Ill. Bro. L. F. Stephens, 33°, for his address to the brethren at Guelph and Niagara Falls nor Ill. Bro. F. R. Bennetto 33° for his address at Niagara Falls.

In November 1930, I received a letter from Ill. Bro. Lloyd, 33° Secretary of Moore Sov. Consistory, Hamilton, enclosing a letter from Ill. Bro. W. N. Duff, 33°, North Bay with a petition for the 30°, 31° and 32° from a Sov. Prince 18°, a resident of Rouyn, Quebec. I mailed

the correspondence to Ill. Bro. A. F. C. Ross, 33° Deputy for Quebec and asked him to give it his consideration. Ill. Bro. Ross replied, "that the matter had been discussed by the Executive Committee of Montreal Sov. Consistory and the Consistory is not prepared to enter into any such agreement between Ontario and Quebec as suggested by Ill. Bro. Duff" for the acceptance of a limited number of applications for the Consistory."

The arrangement at present in existence between the Montreal Bodies and the Bodies in the Valley of North Bay does not cover candidates for the Consistory, and the rights of the Montreal Sov. Consistory were specially mentioned and preserved in the agreement.

While the Montreal Sovereign Consistory will and do hereby agree to waive jurisdiction in the case of Bro. McCleery, they do not wish it to be taken as a precedent and they are at present against entering into any agreement as to the waiver of Jurisdiction such as at present exists between the Lodges and Chapters."

Will you kindly in due course convey this information to Ill. Bro. W. N. Duff, 33°, North Bay.

The information was duly mailed to Ill. Bro. W. N. Duff, 33°, at North Bay and the understanding is completed.

Courtesies were exchanged through the Illustrious Deputies by the Toronto Sov. Chapter Rose Croix to Hochelaga Sov. Chapter Rose Croix, Montreal, Quebec.

Murray Sov. Chapter Rose Croix Ottawa, Ontario to Hochelaga Sov. Chapter, Rose Croix, Montreal, Quebec.

Moore Sov. Consistory, Hamilton to Halifax Sov. Consistory Halifax, Nova Scotia, through the Deputy Ill. Bro. J. H. Winfield, 33°, Hochelaga Lodge of Perfection and Hochelaga Sov. Chapter Rose Croix, Montreal, Quebec, to North Bay, Lodge of Perfection and North Bay, Sov. Chapter, Rose Croix.

I acknowledge with pleasure the courtesies extended by Ill. Bro. A. F. C. Ross, 33°, Deputy for the Province of Quebec.

Dispensations have been granted to Chapters and Lodges during the year for changing the dates of meeting and waiving time between degrees, all of which I hope will prove satisfactory.

The growth of membership in the Rite in Ontario has only slightly increased. At the present time we are not admitting brethren to the Rite with the same rapidity as ten years ago when prosperity was at its meridian, nor are we retaining our members owing to withdrawals and suspensions.

This is a very disturbing feature and we strongly urge officers to use every possible effort to save our brethren.

After making an enquiry into the matter of Suspensions we found that the difficult period through which we are passing is one of the causes affecting our brethren. Another source of trouble is the removal of members from the locality in which they reside without notifying the Secretary and sending their address to his office, therefore, unfortunately communication is severed and in due time suspension follows:

Our Masonry should raise aloft the standard "What we have, we hold." The brethren whose confidence and companionship we now possess are far more precious to us than those of the future whom we know not; we prefer the true and tried. Most men cling to the old associations for that friendship of heart and hand which was formed and nourished through years which have passed and which has been strengthened and cemented by the four-fold cord of Brotherhood. May the time soon arrive when the word Suspension shall not be written except for cause.

It is with feelings of gratitude that we advise the members of Supreme Council that the Rite in the Province of Ontario is in a healthy state. It is true that the increase in members is not stupendous but that fact alone is not our sole ambition, let us count our blessings and be thankful. The Consistory, Rose Croix, Chapters and Lodges of Perfections are sound. The officers are efficient and are performing their duties faithfully. The finances of all the Valleys are satisfactory. The work is being exemplified with impressiveness and dignity. The attendance has increased in Consistory, Chapters and Lodges and peace and harmony reign.

We are deeply indebted to the M.:P.: Sov.: Grand Commander for many gracious acts of courtesy and kindness at all times of which we have been the recipient, the great interest which he has manifested for the uplift and dignity of the Rite has found lodgment in the hearts of his brethren. He has been to all, a Companionable Consistent leader and his work will live long after he has joined the innumerable throng.

Fraternally submitted,

GEORGE MOORE, 33°,
Deputy for Ontario.

PROVINCE OF QUEBEC

To the Supreme Council A.: and A.: S.: R.: for the Dominion of Canada.

Illustrious Brethren:—

May I first of all, on behalf of the Scottish Rite Masons in the Valley of Montreal, express the great pleasure and honour they feel in welcoming once more Supreme Council to their city on the occasion of its meeting again in Annual Session.

It is my privilege, as Illustrious Deputy for the Province of Quebec, to submit for your consideration my annual report upon the activities in Scottish Rite Masonry within its jurisdiction since last Supreme Council met.

It is a gratifying and reassuring fact that, in these days of world wide stress and strife, and while apparently for the moment the world seems almost to have turned topsy-turvy, men and Masons still cling fast to some of the finer things in life. And yet, is not this but the exemplification of the standards and ideals which our Order seeks to inculcate.

The various Bodies of the Rite are not numerous within this jurisdiction, but they apparently well cover present day requirements.

Each of the existing Bodies shows an increase in membership and, if one can judge the calibre of those admitted, members have been wisely chosen.

On 28th March I paid an official visit to the Quebec Grand Lodge of Perfection and there, accompanied by a number of eminent craftsmen, I witnessed the conferring of the 14°. The Degree was impressively exemplified. Quebec, the old city of the new world, still holds true to ancient traditions.

That the Brethren in the Valley of Montreal, even in the midst of stringent existent circumstances, should have moved to extended and correspondingly more expensive quarters, without incurring indebtedness or increasing fees, is surely a fitting tribute to the capable and conservative labours of those Masons who, in the past, builded better even than they knew.

The usual routine matters pertaining to my office, including the supervision of the Annual Returns and payment of dues to Supreme Council, and the necessary requesting and granting of waivers of jurisdiction when required, have all been duly attended to.

The Bodies of the Rite in the Valley of Montreal are deeply appreciative to the Sovereign Grand Commander who, on 27th February last, visited Montreal for the purpose of consecrating the beautiful new quarters in which to-day Supreme Council is assembled.

I regret to have to record the recent sudden and serious illness of Ill. Bro. J. Alex. Cameron, Immediate Past Sovereign Grand Commander. I am sure that the Brethren throughout the entire jurisdiction of Supreme Council are deeply grateful to know that he is again well on his way towards his accustomed health.

In closing, we pay a loving tribute to the memory of a number of brethren who, during the year, were called to the Grand Lodge above.

Fraternally submitted,

A. F. C. ROSS,
Deputy for Quebec.

Montreal, 30th September, 1931

PROVINCE OF NEW BRUNSWICK

To the Supreme Council A.: and A.: S.: R.: for the Dominion of Canada.

My dear Brethren:—

Once again it becomes my duty to report to you on the condition of the Rite in the Valley under my charge.

The returns for the year 1930-31 have been forwarded to the Secretary-General by our Grand Secretary, so it will not be necessary for me to go into details as to membership increase, etc. as these facts will become known to you in due time, through the publication of reports.

However, I might be allowed to give you a very brief summary of our numerical strength and progress.

In the Lodge of Perfection we show a net gain of seventeen (17) members, while the Rose Croix Chapter has added twelve (12) to its roster, showing a net gain of nine (9) at the close of the year.

The Consistory has had a loss of three (3) members, with an addition of one (1).

We in New Brunswick, have suffered from the prevailing depression, though perhaps less severely than some other parts of the Dominion, and no doubt the difficulties of the time are reflected in the number of receptions into the Rite, as it is remarked in the Blue Lodge jurisdiction.

The three bodies in the Valley are functioning smoothly, and a very harmonious enthusiasm is evident throughout the entire Valley.

The outstanding event of the past year, was the most enjoyable and profitable (to us) visit of our beloved Sovereign Grand Commander, and Ill. ∴ Bro. ∴ Riggs 33°, when the Scottish Rite Quarters in the Masonic Temple were dedicated, and consecrated, and the Lodge of Perfection officially visited by the Sovereign Grand Commander and Staff.

I cannot attempt to express the satisfaction and pleasure of the brethren in having had the opportunity of meeting our Sovereign Grand Commander and Ill. ∴ Bro. ∴ Riggs, and to gain the valuable information in regard to Ritual and Government, which our Ill. ∴ brethren gave them. The affect of that visit will be most favorably felt in our Valley for many years, and the friendships formed with our Illustrious visitors be cherished by all permitted to meet them.

I most sincerely thank Most Ill. ∴ Bro. ∴ Webster, and Ill. ∴ Bro. ∴ Riggs, for the great interest shown in our efforts, for the kindly advice given, and the most profitable instruction we received.

We are now nicely settled in our new home, and well equipped with the necessary paraphernalia to carry on the Degrees. We have an ample supply of good workers and ritualists to fill the rosters of the Degrees in Perfection and Rose Croix, and the 30th, 31st and 32nd Degrees in the Consistory.

The personnel of some of the Degrees in Perfection is being changed to allow some of the newer members to participate more actively, as it is our policy to keep all our local members at least, taking some part in the work of the Rite, and to organize Degree teams, where possible, in the outside districts.

It is my hope during the coming Autumn and Winter season, to conduct a Lodge of Instruction, not only to afford all the Brethren an opportunity to familiarize themselves with the Ritual and floor work, but also for the purpose of gaining a knowledge of the History and Philosophy of the Rite, and by frequent association mutually to profit by study and research.

If this plan works out to our satisfaction, we may be able to have papers or addresses presented at regular intervals before the Lodge, Chapter or Consistory, and devise some means of disseminating information to those of our Brethren who live at a distance.

The financial condition of the Rite in our Valley is most satisfactory, and the finance committee, who have charge of expenditures are to be commended on the efficient care they have taken of the funds during a period of especially heavy expenditures.

Our dream of doing something in the nature of an Educational Endowment or Bursary for our Provincial University has of necessity been delayed in accomplishment. The large expenditures necessary to our re-establishment after the fire, compelled us to put it in the background. However, the idea has not been abandoned by any means, and I sincerely trust that within a year or two at the most, we will be able to carry out our project.

I have been ably assisted in my work in the Valley, by our Illustrious Honorary Inspectors-General Ill. ∴ Bro. ∴ MacMurray, Sanford and Ellis; they were always ready to assist in every way, with advice and labor in carrying out our plans.

The prospect for the Fall and Winter season is very encouraging. We have large classes ready for the Consistory, and a goodly number in view for Perfection and Rose Croix.

With a return to normal conditions, I feel we will show rapid progress. The old policy of "Quality, not Quantity," that was the slogan of our forebears, is still in operation, and the utmost care is being exercised in the choice of our material.

Fraternally yours,

E. H. CAIRNS, 33°

Saint John, N.B., 1st September, 1931 Deputy for New Brunswick.

PROVINCE OF NOVA SCOTIA

To the Supreme Council A. ∴ and A. ∴ S. ∴ R. ∴ for the Dominion of Canada.

Illustrious Brethren:—

Once again it is both my duty and pleasure to submit to you a report of the condition of the Rite in Nova Scotia and Prince Edward Island.

The past year has been one of almost marking time.

Meetings of all bodies have been held regularly and have been well attended. The Degree work has been excellently carried out. The Easter Ceremonies were carried out in the usual impressive manner before a large percentage of the total membership.

Victoria Lodge of Perfection shows a net gain of.....	1
Albert Edward Lodge of Perfection shows a net gain of.....	3
Keith Chapter Rose Croix.....	8
Nova Scotia Consistory.....	6

The number of initiates during the year has been less than usual, due perhaps to some extent to the world-wide condition of depression now existing; but this will pass and in the meantime we are holding our ground, making a little growth and perhaps, what is of much more importance, steadily developing that spirit of brotherhood and true friendship on which all human relations must depend, and particularly our beloved Rite.

Our brethren in Prince Edward Island are doing well, and I am more than encouraged not only with their work, but also with the class of material with which they are slowly building up a sound Lodge of Perfection.

All the bodies are in a sound financial condition.

It was a great pleasure to have been able to visit our brethren in Saint John last May, on the occasion of the dedication of their splendid new apartments, and to meet the Sovereign Grand Commander and Ill. ∴ Bro. ∴ Riggs, whom we persuaded to come to Halifax for a day to meet the brethren there rather informally. The visit was enjoyed by everyone and not only further endeared him to all of us but had the effect of making the brethren realize that the Supreme Council is very close to them and of increasing their enthusiasm for our beloved Order.

Respectfully submitted,

J. H. WINFIELD,

Deputy for Nova Scotia and Prince Edward Island.

PROVINCE OF MANITOBA

To the Supreme Council A. ∴ and A. ∴ S. ∴ R. ∴ for the Dominion of Canada.

Illustrious Brethren:—

The renewed interest in the work of the Rite in the Valley of Winnipeg, which I was able to report one year ago, has been fully maintained during the past year. The average attendance at all our meetings has been quite up to that of 1930, and the forty or fifty younger men who were persuaded to take over ritualistic activities have retained their interest and enthusiasm.

Our gross increase in the three bodies has been seventy-one, which is an increase of twenty-one over the previous year, but unfortunately our losses by death and suspension have been greater, leaving our net numerical increase only nineteen, or only one more than that for 1930.

The two Brandon bodies are functioning in a quite satisfactory way and show a net increase of six.

The detailed figures are as follows.:

I visited Brandon on two occasion and installed the officers of their Lodge of Perfection. On that occasion, our eighth degree team accompanied me, and conferred the degree on their class of candidates. More of these visits are being arranged for this Fall and Winter between the two cities, and we are also in correspondence with the Fort William bodies with a similar object in view.

In November last we celebrated the 50th Anniversary of the introduction of Scottish Rite Masonry in the Province of Manitoba at the City of Winnipeg. Our M. ∴ P. ∴ Sov. ∴ Gr. ∴ Commander being unable to attend in person requested Ill. ∴ Bro. ∴ W. M. Logan to represent him and Supreme Council and it is scarcely necessary for me to assure you that Bro. ∴ Logan fitted into our programme in an eminently satisfactory way, and in a manner which I feel sure made all our members who heard him more proud of their Scottish Rite connection.

One of the gratifying features of our Rite work in both Winnipeg and Brandon is the splendid financial position of our bodies, which will enable us to meet, in a generous way, the calls which will undoubtedly be made on us during these very trying times.

Fraternally submitted,

JABEZ MILLER,
Deputy.

Winnipeg, Oct. 3rd, 1931.

PROVINCE OF BRITISH COLUMBIA

To the Supreme Council of A. :. and A. :. S. :. R. :. for the Dominion of Canada.

Illustrious Brethren:—

Once again I am privileged to present my report for the year ending June 30th, 1931, to the Supreme Council of the A. :. and A. :. S. :. R. :. for the Dominion of Canada regarding the prosperity, success and general condition of Scottish Rite Masonry in the Valleys of British Columbia.

The year that closed at June 30th, 1931, has been on the whole fairly satisfactory as to membership increase considering the great financial and business depression hanging over our Province, the Dominion and the world in general.

The Rite in the four Valleys has made progress numerically, while peace, harmony, good-will and brotherly esteem prevail throughout the Province, and I could not wish it to be better.

During the year I have paid my official visits to the four valleys in B.C. In each Valley I received the kindest courtesy and attention that one could wish and everywhere I was assured of their continued loyalty and admiration for the Rite, its statutes and regulations, the Supreme Council and our Sovereign Grand Commander, M. :. P. :. Ill. :. Bro. :. Alfred F. Webster, 33°, and the officers in each Valley particularly requested me to amplify this fact.

The number of candidates for Vancouver Lodge of Perfection by initiation was 9, affiliation 5, restored 1, total 15. They lost by death 8, withdrawals 7, suspension 4, total 19, or an actual loss over gain of 4, giving them a grand total membership of 520, against 524 for 1930.

This is the first time in our history that we have gone behind or failed to increase our membership over all losses.

The Vancouver Rose Croix Chapter added 24 candidates by initiation; by affiliation 3; by restoration 2, or a total of 29; against this they lost by death 7, by withdrawals 6; by suspension 3, total 16, leaving a net increase of 13 or a grand total of 412.

The Consistory initiated 24 candidates, received 3 by affiliation, or a total increase of 27; against this increase they lost by death 6; by withdrawals 6; by suspension 1, or a total loss of 13, leaving them with a net increase of 14, with a grand total membership of 302.

The four Valleys exhibit for the year an increase of members by initiation, affiliation and restoration as follows:

Vancouver Lodge of Perfection.....	15
Victoria Lodge of Perfection.....	14
Kootenay Lodge of Perfection.....	7
Okanagan Lodge of Perfection.....	10
<hr/>	
Total increase for year of.....	46 members
<hr/>	
Making a Grand Total for 4 Valleys of	816 members
Vancouver Rose Croix Chapter	29
Victoria Chapter.....	3
<hr/>	
Total.....	32

giving a grand total of members for the two Valleys, 501.

B.C. Consistory increased its membership by 27, or a grand total of 302. On the whole there has been a general increase, which means advancement, during one of the most disastrous years for financial and business affairs that the people of Canada have ever experienced. Under these unfortunate circumstances we must congratulate ourselves on being able to submit such a report.

The finances of the Vancouver Bodies are in excellent condition. Our Trustees are to be commended for the way they have handled our funds. Every dollar is invested in guaranteed Government Bonds, which now amount to over \$32,000 while the par value today is very much higher. The interest now amounts to nearly \$1,500.00 per year and when in hand is re-invested at once thus increasing the Capital Account very handsomely each year.

The general finances of the three Bodies for working purposes are kept well in hand so that there is no indebtedness of any kind.

All fees and dues for the year, amounting to \$703.75 from the following bodies, have been forwarded to our Ill. Bro. W. H. Ballard, 33°, Grand Secretary-General.

The question of new quarters for the Rite, which looked rather promising a year ago, has had to be postponed until the outlook becomes more favorable. This delay is unfortunate as the present premises are far too small and conveniences very inadequate for such an important Masonic Body, as the A. ∴ and A. ∴ S. ∴ R. ∴.

The Rite is suffering from want of more modern and attractive quarters and better ones cannot be obtained at the present time.

The Maundy Thursday and Easter Sunday ceremonies were very successful and largely attended, in fact the largest we have ever had, and the interest in this obligatory Feast does not diminish.

The new feature introduced two years ago here of holding an Easter Sunday Breakfast in the Hotel Vancouver after the ceremony of re-lighting the Lights was over and the Chapter closed down, has created a fresh incentive to attend these ceremonies and listen to an address devoted to the season we celebrate.

A splendid address entitled "Ancient Religions" was then delivered by Ill. ∴ Bro. ∴ J. E. Beck 32°, Grand Junior Warden of the M.W. Grand Lodge of B.C. This created considerable interest among the Sovereign Princes who attended and earnest were the praises given to Bro. Beck for his admirable paper.

During the month of May, your Deputy received a very pressing invitation from the Sovereign Grand Inspector-General Ill. ∴ Bro. ∴ Wm. S. McCrea, 33°, Deputy for State of Washington, and from Lawson Consistory, Seattle, Wash., for myself and all the Thirty-third Degree brethren of B.C. Valley to attend on May 23rd, as their guests, their annual re-union and to participate in the ceremony of receiving their M. ∴ P. ∴ Sovereign Grand Commander, Ill. ∴ Bro. ∴ John H. Cowles, 33°, on his official visit to the Pacific Coast A. ∴ and A. ∴ S. ∴ R. ∴ Bodies in his jurisdiction.

I regret that only Ill. ∴ Bro. ∴ W. W. Duncan 33°, and myself were able to accept, and attend.

Their welcome greetings, hospitality and attention to each of us while there were something long to be remembered, and highly appreciated by each of us.

It was exceedingly pleasant to meet again and review the acquaintance and friendship of this most distinguished, esteemed, genial and much beloved Brother, Bro. ∴ Cowles. I would not have missed this opportunity for a good deal.

While on the Coast visiting the different centres and Valleys, where Scottish Rite Masonry in his own jurisdiction is established, Ill. ∴ Bro. ∴

Cowles, 33° did find time to steal away from his own jurisdiction and pay a friendly and fraternal visit to the brethren in the Canadian jurisdiction of the Cities of Vancouver and Victoria, B.C.

In our humble way we did our best to extend our sincerest greeting and hospitality and give him and his Deputy, Ill. ∴ Bro. ∴ W. S. McCrea 33°, of Spokane and Ill. ∴ Bro. ∴ Richard W. Huntoon, 33°, and Ill. ∴ Bro. ∴ Jas. Begg, 33°, of Seattle, who accompanied him, as hearty a welcome as we could, thus endeavouring to hold up the dignity of our own Canadian Jurisdiction, when honored with such a friendly and fraternal visit as was paid to us by such distinguished Masonic brethren. It was delightful to be so honored.

The visiting Angel of Death has been busy during the year in our Valleys and those who have gone are missed greatly and in some instances never can be replaced—still we move on in the hope of some day meeting them again.

Victoria Lodge of Perfection

I paid my annual official visit to this Valley on Feb. 28th, 1931, and was met at the dock by several brethren who extended a hearty welcome and conducted me to very comfortable quarters at the Union Club.

At 6 p.m. I was motored to their rooms in the Shriners' Temple, where a most enticing banquet was ready for all in attendance to enjoy. At the conclusion the usual Toast to the King, Our Supreme Council and your Deputy were offered, and suitable replies were made.

The presiding Officer, Ill. ∴ Bro. ∴ Angus 32° wished me to assure our M. ∴ P. ∴ Sovereign Grand Commander, Ill. ∴ Bro. ∴ Webster, 33°, and the Supreme Council, of their continued loyalty and faithful obedience to our Statutes and wishing continued success and prosperity throughout your jurisdiction.

This part of the evening's programme being finished the brethren retired to the Lodge Room, where I was received in due form and given a hearty welcome by the Presiding Officer, Ill. ∴ Bro. ∴ R. Angus, T. ∴ P. ∴ G. ∴ M. ∴ Lodge of Perfection and Ill. ∴ Bro. ∴ W. J. Phillips, M. ∴ W. ∴ S. ∴ of the Rose Croix Chapter and the Brethren and Sovereign Princes.

The financial affairs of the Lodge and Chapter are in a very sound condition and steadily piling up a surplus which is invested in good safe securities.

Their Lodge room is well and comfortably furnished and it is a joy for the members to attend their meetings where the rooms are large and very well ventilated.

During the year the Lodge of Perfection added to their membership eleven brethren by initiation and three by affiliation—a total of fourteen members. They lost, however, by death, two; by withdrawals, two, and by suspension one; thus making a net gain of nine, or a total membership of 186.

The Rose Croix Chapter is in a sound successful condition though numerically they did not increase in membership very much having added by initiation only two and by affiliation one, or a total of three, losing one by death; their net gain was only two, or a grand total of 89.

The financial and business depression in the Valley, like elsewhere in this Province, has militated against greater increase so far as membership is concerned. Yet both bodies are in a very healthy condition.

The financial returns for the year for both bodies, have been duly forwarded in full to our Grand-Secretary-General Ill. ∴ Bro. ∴ Ballard, 33°.

Kootenay Lodge of Perfection, Nelson, B.C.

I paid my annual visit to this Valley on May 15th, 1931, and found the lodge officers in pretty good condition, peace and harmony prevailing and keen desire to see more progress numerically being made.

I was received in full regulation order and given a hearty welcome with a decided assurance of their continued loyalty to the Supreme Council and our Sovereign Grand Commander.

During the evening their annual election took place and afterwards I installed the newly elected and appointed officers.

Ill. ∴ Bro. ∴ L. E. Borden, 32°, announced his intention of retiring from the office of T. ∴ P. ∴ G. ∴ M. ∴, as his public duties as member of the Provincial Legislature prevented him from devoting the attention to the lodge affairs that they demanded. He felt the lodge had not progressed as it should and would have done had he been able to give more time and attention to its affairs. In retiring it did not mean he was going to desert the Lodge—he would attend its meetings regularly, when home, while his interest in its welfare would continue to be as keen as it ever was. This lodge was his child and he could not neglect it.

This decision was deeply regretted by the members as they looked upon Bro. ∴ Borden as the Father of the Scottish Rite in this Valley and had hoped that he would continue as its presiding officer. Ill. ∴ Bro. ∴ Borden assured them he could not accept the honor and its responsibility for another year, much as he would like to. The election was then held and officers were afterward installed by your Deputy, and everything made ready for a good promising year's work.

A pleasing duty fell to my lot while there when I was requested to present a past T : P : G : M : jewel to the retiring officer, Ill : Bro : L. E. Borden, 32°. This evoked considerable enthusiasm as the brethren felt some tangible evidence of their esteem and affection should be tendered Bro : Borden as a token to remember the past years spent in presiding over and establishing the Rite in the Kootenay Valley at Nelson. Bro : Borden was taken by surprise at this evidence of the members' respect and gratefulness for the work he had performed and such a gift only stimulated his feelings to render greater services in the future.

This incident over, the lodge was closed in due form and a social hour was spent over the menu prepared. Speeches of course were indulged in by the new officers, Bro : Borden and your Deputy.

The finances of this lodge are in very good shape while outstanding dues are very small. Surplus funds have been properly invested.

Full remittance of all fees have been made to Ill : Bro : W. H. Ballard, 33°, the Grand Secretary-General.

During the year seven candidates were initiated, no withdrawals, no suspensions, one death, leaving a net increase of six and a total membership of 54.

Okanagan Lodge of Perfection

On February 9th, 1931, I made my official visit and inspection of its affairs, finding the lodge of Perfection under the guidance of its worthy and able T : P : G : M :, Ill : Bro : L. M. Richardson 32°, in a very satisfactory condition. I was accompanied by Ill : Bro : W. W. Duncan 33° which I appreciated very much and which was of great assistance to me.

They are somewhat handicapped through their small and cramped quarters yet they are a very happy body of Scottish Rite Masons who are looking forward to more capacious Lodge rooms in the near future.

While present their annual election of officers was held when Ill : Bro : Richardson 32° refused a re-election as T : P : G : M :. He felt it was in the best interest of the lodge to have a new T : P : G : M : elected, with him as the immediate Past T : P : G : M : who could render help, assistance, and advice at any time and by regular attendance be of as much use for its welfare as if he continued in office.

Before closing the meeting I was requested to present Ill : Bro : Richardson with a beautiful Past T : P : G : M : jewel, as a slight token of esteem, brotherly affection and recognition for the great services rendered by him to the Okanagan Lodge of Perfection, since its inception. Ill : Bro : Richardson was taken by surprise at this evidence of their esteem

and respect; he expressed his very sincere thanks at this evidence of their appreciation and affection by giving him such a lovely jewel and he would strive to deserve all that had been said in his behalf.

Afterwards the election of officers for the ensuing year was held. The hour being late and many having long distances to return home I decided not to install the newly elected and appointed officers, but leave it in the hands of Ill. ∴ Bro. ∴ Richardson to perform at the next regular meeting.

During the month and prior to the newly elected officers being installed the T. ∴ P. ∴ G. ∴ M. ∴ elect, Ill. ∴ Bro. ∴ R. L. Morley 32° realized the very heavy double duty that he would likely be called upon to perform during the year as he was the logical candidate to be elected M. ∴ W. ∴ Grand Master of the M. ∴ W. ∴ Grand Lodge of British Columbia.

The onerous duties attached to that office were so heavy that he could not do justice to the office of T. ∴ P. ∴ G. ∴ M. ∴ of Okanagan Lodge of Perfection and he decided rather than neglect the Lodge of Perfection, and cause dissatisfaction or injury thereby, to tender his resignation for that office, which he did.

When this was announced all the elected but uninstalled officers resigned also. This action was a most unfortunate and peculiar one, which on the surface appeared so but proved otherwise when explanations were made.

Ill. ∴ Bro. ∴ Richardson still being the T. ∴ P. ∴ G. ∴ M. ∴, as his elected successor had not been intalled, communicated with me immediately. I instructed him to hold his regular meeting, accept the tendered resignations, and hold another election and install the officers that same evening, which was done and everything passed off very harmoniously. Ill. ∴ Bro. ∴ Morley being re-elected as G.S.

After the evening duties had been completed the officers and brethren spend a happy social hour together ending with the Junior Warden's Toast in a very hearty manner.

During the year there were initiated eight candidates with two affiliations, thereby increasing their membership by ten, but they lost one by death, and one by suspension, thus giving a net increase of eight, or a total membership of 56, being a very select body of influential Masonic Brethren of business and professional citizens.

While we cannot expect a very great growth in this Valley at the present time, owing to the depressed condition of its chief industry—Fruit—and the general chaotic state of business throughout our Dominion and the world, we can congratulate these brethren on the class of membership and

what they lack in quantity they make up in quality. It is very pleasing to note that this lodge in spite of financial tightness have no arrears of dues, every Brother having paid up in full to date.

In conclusion let me express my sincere appreciation for having been appointed your Deputy covering the three years just about closing. They have been very happy years and great friendships have been formed among the brethren living in the different Valleys, friendships that cannot be broken and will ever be appreciated and enjoyed.

Wishing the Supreme Council and its Officers continued prosperity.

Fraternally submitted,

J. R. SEYMOUR, 33°,
Deputy for British Columbia.

Vancouver, B.C., Aug. 31st, 1931.

PROVINCE OF ALBERTA

To the Supreme Council A.: and A.: S.: R.: for the Dominion of Canada.

Illustrious Brethren:—

The Edmonton Bodies are in a prosperous condition, considering the strenuous times.

The Annual Report in the hands of the Secretary-General will show the standing of the bodies.

Since the last report we are in our new Temple which is a credit to the Masons of Edmonton and Western Canada. We have not as yet Scottish Rite rooms but have a large committee room that we are using as a Scottish Rite club room, beautifully furnished by donations from the members.

May I state again that the Scottish Rite Bodies were the first to put up a substantial subscription to the Temple and were active throughout in putting this through.

As well as the other members of the A.: and A.: S.: R.: we deeply grieve the loss of our Brother, Judge H. C. Taylor. It is a distinct loss to us in Edmonton. He never missed a meeting if in the City.

The attendance at all meetings of the Rite is very gratifying, apart from the exemplification of the work we endeavour to bind ourselves together with social activities which have brought the members closer together.

The Calgary Bodies are, on the whole, making steady progress, while the annual returns show for the lodge of Perfection, six initiations and one affiliation; withdrawals, suspensions and deaths offset this. Delta Chapter of Rose Croix show thirteen (13) initiations, one affiliation, while losses amount to six, a gain of eight members, which considering the present financial depression is a fairly satisfactory showing.

A class of six new candidates is in readiness for the Lodge of Perfection when it resumes labor in September, with several prospects in view.

The financial standing of these bodies is particularly good, and the Officers are doing all possible to maintain the high standing of the Rite. I feel that matters are in a very satisfactory condition as far as these Bodies are concerned.

The Calgary Brethren are now settled in their new quarters and are feeling the benefits of increased accommodation.

Fraternally submitted,

E. A. BRAITHWAITE,

Edmonton, Sept. 28th, 1931

Deputy for Alberta.

PROVINCE OF SASKATCHEWAN

To the Supreme Council A. :. and A. :. S. :. R. :. for the Dominion of Canada.

Illustrious Brethren:—

In common with the rest of the world, Saskatchewan has been very deeply affected by the economic depression; our whole source of income is dependent upon the production of our fields. In the southern part of the province, we have had three successive years of drouth, culminating this year in the worst on record. This has caused a total crop failure over a very large area which, coupled with very short crops the previous two years, and low prices, has created a very serious situation for all of the people resident in the southern and central parts of the province. So serious is their condition, that the Dominion Government has recognized it, and is embarking upon a very considerable programme of relief.

Masons, of course, have not escaped such a general condition, and are adversely affected; unfortunately many of the Krafts find themselves in very straightened circumstances, due entirely to conditions beyond their control. Naturally, in the face of such a calamity, a good many of our members are feeling the pinch keenly, and I am convinced our principles of brotherhood and charity are going to be put to a severe test, as some are going to require help for themselves and families.

Having heard of several instances of this kind, I called a meeting of the members of Supreme Council, and the presiding officers of the three Bodies located in Regina, and we thoroughly canvassed the situation. We decided to have the Lodges of Perfection make a careful survey of the membership to ascertain the exact position of all members, and estimate the amount of relief we might be called upon to dispense. All were agreed that, if unfortunately the survey showed a great need, all the accumulated funds of the Bodies should be made available, and already the Consistory has placed in the hands of the Commander-in-Chief, discretionary power to use all its funds for relief purposes, if circumstances require it. I have asked the T : P : G : M : 's of Saskatoon and Moose Jaw Lodges of Perfection to make a similar survey, and advise me of its results, but up to the time this is written, have not received the results of their investigations.

My purpose in opening my report in this way is to show to you that the lessons of our beloved Rite are taken to heart by us, and will be put into practice if unfortunately necessary.

From the standpoint of importance to the Rite in the province, the Constitution of the Alexander Chapter of Rose Croix of Moose Jaw on February 21 takes first place, Accompanied by several members of Supreme Council, and thirty members of Regina Chapter, I had the great pleasure and honor of presenting their Charter, and formally constituting this very promising young body, installing their officers, and to wish it all success in its Masonic career, a sentiment heartily joined in by all the visiting Sovereign Princes. After the ceremony, we were very kindly entertained by the members of the Moose Jaw Chapter. In April I made them an official visit, and witnessed the working of the degrees; the work was very creditably done, and deserved praise.

On Febraury 19, paid my official visit to Regina Lodge of Perfection and, assisted by several past T : P : G : M's installed the new officers. I also attended the re-union on April 30; as usual the work of the different degrees was well, and impressively done.

On March 13, visited Saskatoon Lodge of Perfection, and was very pleased indeed at all I found there. They had a good class, and there was a spirit of enthusiasm and friendliness everywhere evident. As usual the work of the Lodge, and of the degrees, was well done, and reflected great credit upon the officers.

Moose Jaw Lodge of Perfection did not hold a class during the year, but on my visit there, was assured that everything was going well. Their district has been exceptionally hard hit by the drought, but they have a very loyal and enthusiastic membership, and when economic conditions improve, will make good progress.

Regina Chapter of Rose Croix held its class on Maundy Thursday, and I had the pleasure of witnessing the degree work, which was very

impressively done. I officially visited them on April 9, and installed the new officers.

Saskatoon Chapter Rose Croix as usual also held its re-union on Maundy Thursday, but unfortunately, although up to a few days previous, I expected to be present, at the last moment was unavoidably prevented from going. So, much to my regret, again this year did not visit this Body, but am assured that it is making very satisfactory progress.

The Consistory added more new members than any of the other Bodies, and has had a very successful year. I paid them my official visit on the occasion of their re-union on February 2, and am pleased to report very favourably upon all of the work done by this Body.

A statistical report showing the standing of each Body is attached. I consider, in view of our economic conditions, this is very creditable, as it shows a small gain in membership, and, as I have already indicated, our membership is showing under test that our profession of our teachings is not of the lip only, but that we stand prepared to give a practical demonstration of the genuineness of our adherence to them.

 McLaren Ewart, Moose Jaw.

and they were received, welcomed and proclaimed Honorary Inspectors-General and enrolled as Honorary Members of the Supreme Council for the Dominion of Canada.

At the conclusion of the work the visiting brethren gave very instructive and entertaining short talks on the condition and progress of the Rite in other jurisdictions, leaving a clear impression of a unity of aim on the part of all jurisdictions, each in surmounting its own peculiar obstacles, in the propagation and diffusion of the principles of the A. and A. S. Rite.

The Supreme Council suspended labour in General Session at 11.20 o'clock p.m.

WEDNESDAY, OCTOBER 7th

The Supreme Council resumed labour in

GENERAL SESSION

at 10.00 o'clock a.m.

The Special Committee on the Address of the Sovereign Grand Commander presented the following report:—

To the Supreme Council A.: and A.: S.: R.: for the Dominion of Canada.

Illustrious Brethren:—

Your Committee, appointed to consider the Allocution of the Sovereign Grand Commander, beg to report as follows:

(1) Your Committee note that in his thoughtful introduction the Sovereign Grand Commander stresses again, as he has done in other years, the ever truthful thought of the benefit of our Annual Meetings and the opportunity thereby given for interchange of experiences. It is by such personal association that we learn best to understand and love our fellow man. One of our greatest privileges here in this congenial atmosphere of brotherliness is that we can form and re-form our friendships, acquire new acquaintances and contacts and learn each other's worth.

(2) While we can easily understand the modesty of the Sovereign Grand Commander in his apology for "things left undone," your Committee feel that they are expressing the honest opinion of all members of the Rite in saying, without any thought of invidious comparison, that the six years just past have been fruitful ones for the Order in this jurisdiction and that the healthy and progressive condition of the Rite is due in no small measure to the never failing enthusiasm and constant care and watchfulness of its Sovereign Grand Commander.

(3) Your Committee join with the Grand Commander in his expression of regret for the loss of those who have died within the year both in this jurisdiction and in others. His especial words of praise for the life and service of our own Active Members, Ill. ∴ Bros. ∴ John C. Scott and Albert E. Cooper are well deserved and will strike a responsive chord in all our hearts.

(4) Your Committee recommend the approval and confirmation of all the official acts of the Sovereign Grand Commander, reported in his address, regarding by-laws and dispensations.

(5) Your Committee note with much satisfaction the list of Grand Representatives appointed to represent our Sister jurisdictions near this Supreme Council. Contrary to the common belief, this distinguished honour is not merely an empty form or idle gesture of friendliness, because the accredited representative of a friendly body can do a great deal by interested correspondence to strengthen the ties of brotherhood between Masons of all creeds and countries in accordance with the avowed aim of our noble Craft.

(6) Your Committee are gratified to see that the Sovereign Grand Commander has taken a firm stand in his attitude towards carelessness in the observance of our Constitution. No one would deny the power of the Head of the Rite to permit deviations from the statutes and regulations, but such privilege should be neither asked nor given except in circumstances almost imperative in their necessity, and where the dispensation will result for the general benefit of the Rite.

(7) The suggestions and recommendations of the Grand Commander respecting the proper method of displaying the badge, which marks our grief for departed brethren, seem commendable and your Committee advise that they be approved by this Supreme Council.

(8) Your Committee mark with pleasure the continued activity and interest displayed by the Sovereign Grand Commander in his visits and visitations both in his own jurisdiction and in those of our neighbors. Without any idea of minimising the wonderful work of our Provincial deputies, who are the corps leaders of the Grand Commander, yet it cannot be denied that the physical presence of the Ruler of the Rite himself gives an inspiration and impetus to the individual members as no other can.

(9) The final exhortation of the Sovereign Grand Commander to all members of the Scottish Rite in the world's present condition of disturbance and perplexity, will give food for serious thought to us all. Masonry in general, the Scottish Rite in particular, should be a power always for stability and sanity of thought. Masons should be real leaders and can do much to show the right way to their fellow countrymen along the path which shall bring us finally to unity and peace. Generosity and active sympathy with our brother in distress are our watchwords, but, above all things, the leaders of the community, as we boast ourselves to be, should so live and act and speak, that all who see and hear us may also be inspired by that healthy optimism, which through its outward expression of speech and action, will help undoubtedly to set things right again in the world. May the clouds soon break.

Respectfully submitted,

W. M. LOGAN,

W. H. WARDROPE.

On motion by Ill.: Bro.: Logan, seconded by Ill.: Bro.: Wardrope, this report was received and adopted.

The Committee on Reports of Deputies presented the following report:—

To the Supreme Council A.: and A.: S.: R.: for the Dominion of Canada.

Illustrious Brethren:—

Your committee has considered the Reports of the Illustrious Deputies and finds in them the reflection of the depression through which Canada along with the rest of the world is passing. In several reports notice is taken of a slowing up in the usual increase of members but this we feel sure is not for any lack of effort on the part of the officers of the bodies concerned.

From the report of the Illustrious Deputy for Saskatchewan we get a vivid impression of the serious nature of the situation there when we are told that the Local Bodies there may need to utilize all their accumulated funds to meet the emergency.

It is interesting to be reminded of the consecration by the Sovereign Grand Commander of the beautiful rooms in which we are meeting, a reference to which appears in the report of the Deputy for Quebec, and it is with pleasure that we read his reference to the happy recovery of our Immediate Past Sov. ∴ Gr. ∴ Commander.

The full and careful report of the Ill. ∴ Deputy for Ontario is most instructive, and the schedules attached are full of useful information, giving a very clear picture of the position in that Province.

The report of the Ill. ∴ Deputy for Manitoba calls to our attention their celebration of the 50th Anniversary of the introduction of Scottish Rite Masonry there.

As we are to go to Saint John, N.B., for our next meeting many of us will have no doubt the opportunity of seeing the new Masonic quarters there; which are referred to in the report from that Province.

Fraternally submitted,

F. J. HOWELL, 33°, Chairman.

A. C. McMASTER, 33°.

Montreal, 7th October, 1931.

This report on motion of Ill. ∴ Bro. ∴ Howell, seconded by Ill. ∴ Bro. ∴ McMaster, was received and adopted.

The Committee on Rituals and Ritualistic Matter presented the following report:—

To the Supreme Council A. ∴ and A. ∴ S. ∴ R. ∴ for the Dominion of Canada.

Your Committee wish to report that progress has been made in preparing and arranging the three Ceremonies as mentioned in our report of last year, that of Inauguration and Constitution, Installation of the Officers of a Lodge of Perfection, Consecration and Dedication, copies of which have been sent to the Illustrious Deputies of each Province, for their consideration and observation, Favorable comment having been received from a majority of the Deputies as to the arrangement and usefulness of the Ceremonies, your Committee also being of the same opinion submit the three named Ceremonies to the Supreme Council and ask for their acceptance and adoption.

The Committee also recommend that the Ceremonies be placed in the hands of a competent printer to be put in book form of convenient size for general use, the three Ceremonies to be placed under one cover suitably bound and lettered.

The Committee further report that in their opinion, it was thought necessary to amend parts of the rubric in the Ritual of the Fourteenth Degree, so that, the Ceremonies might be carried out with a better understanding of the proper methods to be used. To this end the Sovereign Grand Commander through the Secretary-General recalled these Rituals, and your Committee have pleasure in saying that owing to the used condition and appearance of these Rituals, a complete new edition of this degree was made to replace those returned, and the same forwarded to the Secretary-General.

Your Committee has had the privilege of seeing many of the Rituals which have been returned and from their condition, the Committee wish to express their gratification to the Thrice Puissant Grand Masters for the amount of time that has been given to this Degree, judging from the appearance and worn condition of the Rituals.

Some years have now passed since the first Committee on the revision of Rituals was formed, and for the last six years it has been my privilege to act as its Chairman, and assist in matters pertaining to this Committee. We express our pleasure in reporting that with the exceptions of the Twenty-fifth and Twenty-ninth Degree, which still remain for consideration by the Committee, all the Degrees from the Fourth to the Thirty-second have been completed. The total number of single Rituals is one thousand, nine hundred and thirty-seven, and have been distributed to the various Lodges, Chapters and Consistories by the Secretary-General. At my request on behalf of the Ritual Committee, moneys have been received from the Supreme Council to defray the expenses incurred by the Committee and I have pleasure in attaching hereto an auditor's statement of receipts and expenditures.

All of which is respectfully submitted,

LEWIS F. RIGGS, Chairman.
GEORGE MOORE,
W. H. DAVIS.

The Committee appointed to prepare a resolution with reference to proposed assistance to those in need on account of the very serious condition of many of our Canadian citizens through unemployment recommend as follows:—

1. That the sum of Ten Thousand Dollars be set aside for that purpose.

2. That the Sovereign Grand Commander, Ill. ∴ Bro. ∴ E. T. Malone, and Ill. ∴ Bro. ∴ A. C. McMaster.

be authorized and directed to give the said sum in such amount or amounts as they deem best to such person or persons, institution or institutions, corporation or corporations for the purpose of relieving those in need during the present extraordinary conditions of our country.

F. J. HOWELL,
A. F. C. ROSS,
W. H. WARDROPE,

This recommendation was adopted.

It was resolved on motion of Ill. Bro. George Moore, 33°, seconded by Ill. Bro. Walter H. Davis, 33°:—

That a committee be appointed by the M. ∴ P. ∴ Sov. ∴ Grand Commander to procure an appropriate testimonial for presentation to Ill. ∴ Bro. ∴ Lewis F. Riggs, 33°, expressive of the keen appreciation for the valuable and voluntary service rendered to the Ancient and Accepted Scottish Rite for the Dominion of Canada by his compilation of the “Red Book” and also for his untiring energy and assistance in the revision of the Rituals of the Order.

Respectfully submitted,

ALEX. McDOUGALL, 33°

F. G. WAIT, 33°

Montreal, 6th October, 1931.

This report was received and adopted on motion by Ill. Bro. Mc Dougall, seconded by Ill. Bro. Wait.

The Committee on Foreign Relations presented the following Report:

To the Supreme Council A. : & A. : S. : Rite for the Dominion of Canada.

Your Committee on Foreign Relations respectfully beg to submit the following report.

ENGLAND

It is of interest to us to note that the breast jewel worn by Consistory members is a Pattee cross of red enamel, as defined by our regulations, but the English members also wear the eagle, suspended around the neck from a ribbon, black for members of the 30°, white for the 31°, and red for the 32°.

There are 48 Chapters of Rose Croix in London with memberships ranging from 16 to 60. Morning Star Chapter has on its list Lord Cornwallis, who is the Deputy Grand Master of the United Grand Lodge of England, the Duke of Devonshire, the Earl of Donoughmore, Sov. : Gr. : Com. : and Col. Monckton-Arundell, now Earl of Galloway, who led the English deputation to the Grand Lodge of Canada in Ontario in 1930. The Duke of Connaught, Grand Patron of the Rite in England, is a member of Connaught Chapter, Aldershot, which is eminently a military chapter. Among the members of United Chapter are recorded the names of Admiral Halsey, Admiral Eustace, who won the hearts of all present at the meeting in Toronto in 1930, the Hon. Edward Cecil Lascelles, H.R.H. the Duke of York and H.R.H. the Prince of Wales.

Lord Ampthill, Pro Grand Master of the Grand Lodge of England has lately been made an active member of Supreme Council.

SCOTLAND

Scotland has a new Secretary-General, Donald B. Sinclair, whose office is still at 74 Queen Street, Edinburgh. Among the list of the officers of Supreme Council are several familiar names, the Rt. Hon. the Earl of Saltoun, C.M.G., who is Sov. : Gr. : Com. :, C. C. Nisbet, Grand Treasurer, and the Rt. Hon. the Earl of Stair, who is Grand Archiveste (sic.)

IRELAND

The Supreme Council for Ireland was patented in 1824 and constituted in 1826. It meets four times a year. Col. the Rt. Hon. R. G. Sharman-Crawford, C.B., is Sov. : Gr. : Com. :, and the Hon. Mr. Fitzgibbon is Grand Chancellor. Bro. : Justice Fitzgibbon is also our representative there, while Ireland is represented near this Supreme Council by Ill. : Bro. : E. T. Malone.

The Consistory in Ireland (there is only one) is limited to sixteen thirty-second degree Masons, in addition to the nine members of Supreme Council.

NORTHERN MASONIC JURISDICTION, U.S.A.

The Supreme Council for the Northern Jurisdiction of the U.S.A. had its Annual Meeting in Detroit on September Fifteenth, 1931. The Sov. : Gr. : Com. : Ill. : Bro. : Leon M. Abbott opened the meeting in full ceremonial form at ten a.m. There were present 39 Active Members and 522 Honorary Members. On Sunday, the day before the formal opening of the session, members of Supreme Council and of the Rite in general, with their ladies, attended divine service at St. Paul's Cathedral when the sermon was preached by the Rt. Rev. Bro. Warren L. Rogers, 33°, Bishop of Ohio.

Among the many visitors was a distinguished delegation from Canada, Ill. : Bros. : Webster, Sov. : Gr. : Com. :, George Moore, W. H. Ballard, W. H. Wardrope, W. H. Davis, and W. M. Logan.

The allocution of the Sov. : Gr. : Com. : was full of interesting matter and it is regrettable that space forbids its recital in full. Three Active Members and 79 Honorary Members have died during the year.

Relations with all other regular Supreme Councils continue to be most cordial and friendly. The Committee on Education is congratulated on its splendid work. Fifty-seven scholars are now on the rolls of the Committee, thirty-four men and twenty-three women, who are being maintained in forty different colleges. Approval was given to the action of the Sov. : Gr. : Com. : in sending \$1,000 to the sufferers in Santo Domingo. The Sov. : Gr. : Com. : reported with regret that there had been a deplorable falling-off in receipts, the expenses for the year exceeding the income by \$30,000.00. This is the first time in the history of the Supreme Council that the income has not covered the expenses. The Sov. : Gr. : Com. : urges strongly that a per capita annual tax on membership be established. As of June 1st, 1931, there are 284,000 of the 32°, showing a loss of about 3,000 members. There were 5,911 initiates of the 32° as compared with 10,205 for the year before.

The concluding sentences of the Sov. :. Gr. :. Com. :. are very beautiful and impressive. Only a few quotations can be made. "While it is true that we are not receiving as many initiates as in some former years and that we are losing slightly in membership through suspensions for non-payment of dues, or by demit, this should be little cause for regret and none for alarm. Any organization is far better off with a smaller number of interested and active members than with larger numbers, of whom many take only a selfish or lack-a-daisical interest, or, perhaps none at all." "It takes moral courage and stamina in these days to be a real Mason." "These are not the times for pessimism but rather for optimism with the true Mason." "The organized Bodies of Masonry in America are, at the present time, actually spending more than \$50,000 a day for charitable and relief purposes." "There is no room to-day in the ranks of our Order for the 'sunshine patriot,' but only for the man who genuinely loves God, his Country and his fellowmen and is willing to sacrifice himself to serve and save them."

The 33° was conferred in full form upon eighty-eight brethren.

The report of the Committee on Returns is very interesting, containing as it does a detailed analysis of the figures showing the initiates, suspensions and resignations over a period of 25 years. The concluding inference of the report is striking: "This analytical study of the returns would indicate that the suspension problem is nothing more serious than the after effects of a period of overproduction."

The Supreme Council, notwithstanding temporary decrease in income, is still solvent. It has in the permanent capital fund almost \$3,000,000. The 1932 Annual Meeting will be held in Indianapolis.

SOUTHERN MASONIC JURISDICTION, U.S.A.

The proceedings of the session of this Supreme Council, held at Washington in October, have not yet reached your Committee but we are privileged to be able to record the following facts.

The Sov. :. Gr. :. Com. :, Ill. :. Bro. :. John H. Cowles, prefaces his allocution by a word of thanks to Providence for the continued success and prosperity of the A. :. and A. :.S. :. Rite in that jurisdiction throughout 130 years of existence. Of the unemployment situation and the general depression he suggests that perhaps things are not so bad as the impression is extant. "When 50,000 attend a baseball game, 100,000 a football game, when wrestling and boxing bouts draw crowds and the picture theatres are jammed, when all kinds of sports and motoring are indulged in by great numbers—there must be money somewhere." Of Communism he reminds us that there is no suggestion that Masonic bodies should enter politics but that individual Masons, every one of us as good citizens, should, by

taking the proper interest in our duty towards our country and the people, destroy the enemies of law and order.

Bro. :. Cowles made many official visitations. During the past two years he attended 76 different meetings of bodies of the Rite in the jurisdiction, adding to that personal visits in these places to the aged and sick members. He has also visited 19 blue lodges, 10 Grand Lodges, besides other Masonic bodies. Altogether during the biennial term he has travelled over 70,000, by rail, water, air and auto.

He demands that reunion programmes and any other Scottish Rite literature published should be a credit to the Rite. Everything in connection with the Order should be dignified, impressive, cultured, refined and uplifting. He deplores the following notice of a meeting: "Do Not Miss This One. Three Boxing Bouts, A Battle Royal, Toe Dancing, Tap Dancing and Smoker for Scottish Rite Masons and their Ladies."

Of the Almoner's Fund, that is to say the Box of Fraternal Assistance, he recommends that the Almoner should make reports to the Bodies, giving receipts and disbursements, but of course omitting all names.

The Supreme Council publishes three magazines: The New Age, with a circulation of 248,000; the Supreme Council Bulletin, with a circulation of 34,000 and the Scottish Rite News with 5,600 of a circulation.

In reviewing the doings of other Supreme Councils Bro. :. Cowles notes that of the 47 Active Members of the Northern Supreme Councils, twenty are Past Grand Masters, while in his own jurisdiction, of the 25 Active Members ten are Past Grand Masters.

The Sov. :. Gr. :. Com. :. in his closing paragraphs warns the Council that they should begin to think of his successor. Of course, such warning is always timely, but Scottish Rite Masons of all Countries will hope that the day of Bro. :. Cowles' retirement is still far distant.

AUSTRIA

This is the latest addition to our list of accepted sister jurisdictions. Their bulletin of February, 1931, records the list of officers, 1931-1934, with Ill. :. Bro. :. F. G. Walker as Sov. :. Gr. :. Com. :, and Otto L. Klein as Sec.-General. The Council has 16 Active Members.

Masons in Austria are enthusiastic and the brethren support a number of humanitarian and literary societies. We note, also, the formation of a Society of Daughters of Freemasons.

BRAZIL

The unfortunate conflict for authority still continues in this country. Canada recognizes, as it always has, the Supreme Council of which Mario

Behring is Sov. ∴ Gr. ∴ Com. ∴. Bro. ∴. Behring is the Dean of the Supreme Council and his Active Membership dates from 1907. The Council consists of 23 members of a possible 33, with three emeriti members.

Brazil is a big country and it is to be hoped that the present unhappy differences may soon be amicably settled. It is hard to realize that in geographical extent Brazil is greater than the U.S.A.

CHILE

Freemasonry in Chile is active. The affiliation with foreign jurisdictions is steadily increasing. The brethren suffered a great loss in the destruction by fire of much of the Grand Lodge Library and archives. Agustin Palma, who is both Grand Secretary of the Grand Lodge and Secretary-General was honoured last year by his host of admirers, who gathered in Santiago to celebrate his forty years of continuous service to the Craft. The enthusiasm with which the brethren entered into the celebration of the event shows how much Bro. ∴ Palma's services to Chilean Masonry are valued.

CUBA

The Supreme Council for Cuba has in its obedience fourteen districts, containing five Consistories, eleven Councils of Kadosh, thirty-two Rose Croix Chapters and thirty-six Lodges of Perfection.

Industrial and financial depression is causing concern in Cuba as elsewhere. The Grand Master was instructed by the Grand Lodge to co-operate with the President of the Republic in an endeavor to improve conditions. The Masons in Cuba have an ambitious project of building a magnificent temple in Havana, devoted to Masonry and to contain also a public library and an elementary school.

CZECHO-SLOVAKIA

Masons in Prague are doing fine charitable work. One paper prints the following, "The lodges of Freemasons are supplying 2,000 dinners every day to the unemployed. Wives of physicians and professors are doing the cooking." The work being done for suffering citizens by a few small lodges is astonishing. The personal service rendered makes one proud of what is being done in the name of Masonry.

DENMARK

For some years there has been in Denmark a so-called Masonic body styling itself "The Supreme Council of the 33° of Denmark". This body apparently originated from the Cerneau Council which has always been considered by us as irregular and clandestine. This Danish body after many attempts at recognition by legitimate symbolic and Scottish Rite

authorities has finally resigned these hopes and declares that it will now direct its efforts to finding a path which will lead them towards the creation of a Supreme Council in that country which will have the approval of the Grand Lodge and be recognized as regular.

ECUADOR

The whole Masonic population of Ecuador is about 600 but their zeal is unbounded. The brethren are altruists and have carried on a very active campaign against tuberculosis.

EGYPT

It is scarcely necessary to review again the history of the Masonic troubles in Egypt. The situation at the present time is pretty well cleared up, and the dissenters, while still in existence, are making no progress. The fact that the legitimate organization and that of the dissenters use the same name is a cause of confusion and misleads many who are trying without prejudice to arrive at a proper understanding of the condition of affairs.

Brother Idris Bey who was Grand Master and Sov. : Gr. : Com. : for many years died in July last. The Grand Secretary-General is Mohammed Rifaat.

FRANCE

A circular from this jurisdiction shows the work done for the year 1930-31. In their own territory the S. : G. : I. : G. : have visited regularly all subordinate bodies of the Rite, the Sov. : Gr. : Com. : being especially active.

The Council has suffered a great loss by the death of its Grand Orator, Ill. : Bro. : Monier, who was also Grand Master of the Grand Lodge of France. The death of Bro. : Monier necessitated the temporary appointment to the Grand Mastership of Ill. : Bro. : Marechal, who resigned his office as Secretary-General. He is succeeded by Ill. : Bro. : Georges Lamouret, whose father, by the way, was also at one time Secretary-General.

The Supreme Council for France in order to make preparation for the International Conference in Cuba in 1934, and at the request of several European Councils, notably Belgium and Holland, called a Preparatory Conference at Paris for September 21st of this year, of all Supreme Councils. More than fifteen had already promised to be represented at this preliminary meeting.

GERMANY

There are nine Grand Lodges in Germany with concurrent jurisdiction. Three are called "Christian" because they demand of their initiates

a belief in the divinity of Christ. Six are called "Humanitarian" and admit men of other creeds than Christians but they demand a belief in God. Eight of these Grand Lodges were in existence before the war and the ninth, which was instituted in 1924, was accepted as regular by the other eight. All nine are opposed to the establishment of the Scottish Rite in Germany.

At the International Conference of the Scottish Rite in Paris, a commission was given to the Supreme Councils of Switzerland and the Netherlands to establish, if possible, a Supreme Council in Germany and, in spite of advice and warnings, the Sov. ∴ Gr. ∴ Com. ∴ of the Netherlands started a Consistory in Berlin and out of this grew a Supreme Council for Germany.

Now the nine Grand Lodges of Germany forbade their members to join the Rite, so the Supreme Council started eight symbolic lodges, composed of men connected with the Rite and some who were members of the Rising Sun Grand Lodge, a clandestine Grand Lodge in Germany. These eight lodges then formed a Grand Lodge, "The Grand Lodge Symbolica," which declared itself independent and assumed authority over the symbolic degrees while the Supreme Council would govern the degrees from the fourth to the thirty-third.

The nine legitimate and recognized Grand Lodges have published an announcement, specifically stating that they refuse recognition to the new Grand Lodge and the lodges under it and consider their members irregular. They also refuse recognition to the Ancient and Accepted Scottish Rite of Germany. They further state that the members of these new lodges can only become Masons in Germany by petition to and admission into the recognized lodges.

Until the unhappy situation is cleared up, it seems very advisable that the Supreme Council for Canada should not establish amicable relations with the Supreme Council of Germany.

GREECE

The members of Masonic lodges in Greece are almost all of what may be called the intellectual class. Professors, lawyers, journalists and those directly interested in international affairs are represented. The influence of these men covers a great area. The combined and systematic effort of such men to educate the public to forget war and aim at peace must be effective. The friendly relations with Turkey are particularly gratifying to the Masonic fraternity, which is lending every effort to help on this brotherly feeling by increasing their correspondence and connection with the Craft in Turkey.

It is interesting, too, to note that in the Annual Report of the Supreme Council for Greece the following notice is prominently displayed: "The Masonic authority in Greece, charged with the administration of the Symbolic degrees of the A. ∴ & A. ∴ S. ∴ Rite, is recognized by the Supreme Council 33°, and is allied with it by a Treaty of Friendship. It is the M. W. the Grand Orient of Greece founded in 1868. Its Grand Master is M. D. Pouris, 33°, Active member of the Supreme Council of Greece and its Grand Secretary is Ath. Ioannou, 30°. It has 52 Active Craft lodges."

There are 13 Active and 10 Honorary Members. On the roll of subordinate bodies are 3 Areopagi, 9 Chapters of Rose Croix and 10 Lodges of Perfection.

JUGO SLAVIA

The Grand Commander, George Weifert is the Dean of Masonry in Jugo Slavia. The beautiful Masonic temple in Belgrade was built through his generosity. The Council has apparently changed its name from "The Supreme Council of the Serbs, Croates and Slovenes" to "The Supreme Council for Jugoslavia." The Grand Lodge still calls itself the "Grand Lodge of the Serbs, Croates and Slovenes."

MEXICO

Mexico has altogether about a dozen Grand Lodges, the two principal ones being the York Grand Lodge and the Valle de Mexico. As the York Grand Lodge is made up mainly of English speaking brethren who, under present economic conditions are leaving Mexico in large numbers, this Grand Lodge feels the situation keenly. The determination of territorial jurisdiction by the Scottish Rite bodies is one of the chief obstacles to the establishment of fraternal relations between these two important Craft bodies. This year Grand Commander Garcia crowned the President, Ortiz Rubio, an Honorary Inspector General 33°.

NETHERLANDS

The Supreme Council for the Netherlands demands that all members must be affiliated with one of three Areopagi (Councils of Kadosh) now existing. The Areopagus, entitled Jacques de Molay, established at the Hague, holds nine meetings a year. The business meetings are all conducted in the 22°. The Areopagus at Amsterdam, Fiat Pax, meets four times yearly to transact general business and on four other occasions to confer the 22°, 26°, 28°, 29°, and 30°. The conferring of the 31°, 32°, and 33° is done at the Hague.

The third Areopagus is in the East Indies at Semarang on the island of Java and has adopted the methods and programme of Jacques de Molay.

The Supreme Council itself meets to do business once a year in February at the Hague. It also assembles in April to confer the 32° and 33°.

It is interesting to know that the work in the East Indies is carried on with great vigor and success. The degree work is done only during the Christmas and Easter holidays, an arrangement made almost necessary by the great distances. Java is about the same area and form as Italy. During these holiday seasons the members who are scattered over the country, take the opportunity of meeting in Semarang, the Capital of Central Java or in Bandung, high up in the hills of Eastern Java.

The Secretary-General deplores the lack of interest in the Masonic Library at the Hague, where the librarian is in attendance every day but apparently with very few calls for help or advice.

PANAMA

An official notice from this jurisdiction gives the names of the newly installed officers, 1931-1935. G. Andreve is Sov. ∴ Gr. ∴ Com. ∴ and Jose Oller is still Secretary-General. There are altogether 15 Active Members. The Supreme Council publishes an official paper called "La Fraternidad." The Grand Lodge of Panama is in amicable relations with the Grand Lodge of Canada in Ontario.

PARAGUAY

There are only 13 Active Members of Supreme Council, with the "Active" pronounced very softly. There are besides nine other members of the 33°, styled Associates. There are only six blue lodges in the country with a total membership of 153, although it is claimed that there are over 2,000 Masons in Paraguay not connected with any lodge. The members of Supreme Council do not get along with each other very well, which perhaps may be accounted for when we see among them English, Scotch, Dutch, Germans, Boers, Argentines and some others. Some years ago the Sov. ∴ Gr. ∴ Com. ∴ who was also Grand Master, ruled that it was not necessary to have the Bible on the Altar. However, the Grand Lodge and Supreme Council are now separate bodies. The whole Masonic fraternity apparently needs bolstering up.

PERU

Peru had a revolution not long ago. In the Latin Countries apparently revolutions take the place of our parliamentary elections. In some respects the system is superior to ours. They do not cost any more and they give a good opportunity of getting rid of undesirable candidates permanently.

President Leguia, the deposed head, is a 33° Mason but that did not prevent his downfall. He is now in prison. However, the condition of Scottish Rite Masonry was not helped by the revolution but the brethren are enthusiastic and keep the fire still burning on the Altar.

A sheet from the old records of the Inquisition, seemingly authentic, tells the story of the trial of a man who came to Peru from Spain in 1723 (mark the date!) and was tried by the Inquisition on the charge of being a Freemason.

The Grand Lodge of Peru owns a temple in Callao, although the See is at Lima. There are some craft lodges in Peru under the Grand Lodge of Scotland, which evidently is quite in amity and harmony with the Grand Lodge of Peru.

POLAND

Masonic affairs in Poland are not so good. The Grand Lodge and Supreme Council have separate jurisdictions, each being now sovereign and independent. Poland is, of course, strongly Roman Catholic and this fact, with other adverse influences, seems to bar the way to even a quasi-legal standing for the Masonic order.

ROUMANIA

King Carol is very favorable in his attitude towards Masonry, which is making steady, if slow, progress. The Supreme Council has purchased a beautiful home in Bucharest. Roumania is very rich in natural resources but was hit hard in the war, but she is coming into her own again.

SPAIN

It is difficult for an outsider to understand the Masonic situation in Spain. In October, 1922, the Grand Orient of Spain was dissolved on account of certain demands made upon it by the two jurisdictions of the A. ∴ & A. ∴ S. ∴ Rite of the United States of America, because the Grand Orient had established lodges in American territory. When the Convention of Supreme Councils was held at Lausanne in 1922, the American delegates insisted that the Supreme Council of Spain should not be admitted to the Convention. Thereupon, the Supreme Council for Spain, which controlled the Grand Orient, dissolved the latter body and retained only its own authority over the higher degrees, while the symbolic lodges were divided up among several newly formed regional Grand Lodges. "In other words", as some one aptly says, "they destroyed the house which had sheltered both the Supreme Council and Grand Lodge, in order to be permitted to join in the Lausanne Convention." Subsequently, the Supreme Council arrogated the right to intervene in the affairs of the symbolic lodges, holding the policy that the control of all degrees is vested in Supreme Council.

When the delegates at Lausanne promised to withdraw their protection from all lodges in America, they hardly calculated that the step would be so disastrous financially. The abandoned regions represented their chief income.

TURKEY

The last Annual report from Turkey is a volume of approximately 100 pages, printed in English type, but, alas! the language is Turkish. The book contains full page portraits of the Officers of the Council. There are 33 Active and ten members emeriti. We note among the active members the name of Muhtar Tahsin Bey, who is the present Minister to the U.S.A. and who takes a great interest in all Scottish Rite meetings in Washington. The Sov. :. Gr. :. Com. :. is Fuat Hulusi and the Secretary-General is Necmettin Tahsin.

URUGUAY

A circular of recent date from Uruguay gives the tableau of Officers, 1931-1935, with Eduardo Vasquez as Sov. :. Gr. :. Com. :. and Pedro L. Bersetche as Secretary-General. The name of the Council is given as "The Supreme Council of Sovereign Grand Inspectors-General of the 33° of Uruguay.

All of which shows how hard it is without accurate information to decide from a great distance what is right and what wrong. We know nothing of Vasquez but we do know that Bersetche is an expelled Mason and therefrom we can gauge the calibre of the whole outfit. The regular Supreme Council has as Sov. :. Gr. :. Com. :. General Telemaco Braida and the Secretary-General is Juan Dufort y Queirola, who continues in office, although in ill health. The President of the Republic, Dr. Gabriel Terra is an Active Member of Supreme Council. Dr. Terra is Grand Master of the Grand Orient, that is to say, the Grand Lodge. The Grand Lodge and Supreme Council are autonomous and sovereign.

Fraternally,

W. M. LOGAN.

The Supreme Council was called off in General Session and the

ILL.: BRO.: JOHN CRAWFORD SCOTT 33°

Born at Ottawa, 27 June, 1865, educated in the Ottawa Public Schools and Collegiate Institute, Ill.: Bro.: Scott spent his entire life in the city of his birth. After having served his time as a machinist, he studied engineering and for some years was employed by the Ottawa River Works Department. Upon this organization being absorbed by the Public Works Department of the Dominion Government, Bro.: Scott became a Civil Servant and for many years acted as Assistant Engineer in that Department, until about 1926, when after a period of ill health, he felt that he should retire from active service and so enjoy a longer or shorter period of rest, during which, he would be at liberty to do as he might feel or wish, untrammelled by any compulsory daily duties. Though his strength markedly improved and he again looked the picture of health, that period was destined to be short, and on Christmas Day, 1930, he slept away to his future life, without even so much warning as a day's confinement to bed.

Known to nearly every person in Ottawa, whether it be in the business or fraternal worlds, known also as a man absolutely sincere and reliable in his dealings with the world, thorough in the extreme, an ardent lover of his family, his home and his city, exceedingly capable in everything that he undertook, ever willing to lend a helping hand to any good cause, Ill.: Bro.: Scott will be greatly missed at every turn, and this especially true in Masonic circles. While not a religion with Bro.: Scott, he being an ardent member of the Presbyterian Church, and locally of St. Andrew's Church, Masonry afforded him an opportunity of exemplifying his truly Christian spirit in a truly masonic manner. The memory of his sound advice, his cheery presence and sparkling humour will ever be a pleasing remembrance for those, who, having been associated with him in the past, must needs now carry forward the torch, that the organizations, to which he gave of his best, may go on to greater accomplishments.

Ill.: Bro.: Scott's Masonic career was a very outstanding one as evidenced by the offices he had held. In fact there was no Masonic body or committee of any moment, on which he had not acted at some time during his three decades of masonic efforts. There follows a somewhat accurate statement thereof:—

Initiated, Dalhousie Lodge No. 52, 4th April, 1899.
Wor. Master, Dalhousie Lodge No. 52, 1905-1906; D.D.G.M.
Ottawa District, 1912-1913.

Initiated Carleton Royal Arch Chapter, 21st April, 1905.
Presiding Principal, Carleton Royal Arch Chapter, 1910.
Grand Superintendent Ottawa District, 1916-1917.

Received 14°, Ottawa Lodge of Perfection A.A.S.R.,
12th March, 1902. T.P.G.M. Ottawa Lodge of Perfection,
1909-1910. Received 18° Murray Chapter of Rose Croix,
24th November, 1902. M.W.S. Murray Chapter of Rose
Croix, 1908-1909.

Sov. Gr. Insp. Gen. 33° (Honorary) 28th October, 1909.
(Active) 27th October, 1921.

Member of the Royal Order of Scotland.

Ill. ∴ Bro. ∴ Scott was indeed one of God's Gentlemen, and
J. G. Holland's description of a man in his poem "Wanted",
might truly have been said of Bro. ∴ Scott.

"God give us men! A time like this demands
Strong minds, great hearts, true faith, and ready hands;
Men whom the lust of office does not kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honour—men who will not lie;
Men who can stand before a demagogue,
And damn his treacherous flatteries without winking!"

The heartfelt sympathy of the various Masonic bodies
under the jurisdiction of the Supreme Council for the Do-
minion of Canada is extended to those nearest and dearest
to our late Ill. ∴ Bro. ∴ Scott in the persons of his wife, his
daughter, Margaret and his son David.

J. A. D.

ILL. ∴ BRO. ∴ ALBERT EDWARD COOPER, 33°

Died at his late residence in London, Ontario, on August 27th, after a three days' illness due to a severe heart attack.

Ill. ∴ Bro. ∴ Cooper was born at Glen Williams, Ontario, on June 10th, 1858, where he received his early literary training and that genuine moral and religious instruction so characteristic of the Scot, which made him the courteous, Christian gentleman that endeared him to both young and old alike.

After living for a short time in Toronto and Guelph, Bro. ∴ Cooper moved to London in the year 1876 to join the jewelry firm of Andrew Morphy & Company and while still retaining his interest in this firm till its retirement in 1920, his keen introspective mind presented to him a new field of venture; a field rich in possibilities and one which offered abundant scope for all the energies and enthusiasm of his virile manhood. So in the late nineties he launched out upon the wholesale diamond importing business under the name of A. E. Cooper. In this business he prospered to a remarkable degree and in this business he continued to the day of his unexpected death.

One of the reason why the business of Bro. ∴ Cooper prospered until the name of the firm came to be known not alone throughout Canada, but among the jewelry centres of Europe is that he ever held fast to two mottos viz: "Honesty is the best policy," and "Do unto others as you would have others do unto you."

But though successful in business to an unusual degree Bro. ∴ Cooper was by no means a recluse, or a slave to his business. He was actively interested in many social, literary and art circles, being a recognized authority on paintings and other works of art and had during his lifetime collected fine chronometers and other time-pieces, both antique and modern, also rare coins, having just recently purchased a collection of the latter consisting of over five thousand pieces. Bro. ∴ Cooper was a member of the British Horological Society also London Hunt and Country Club, The Highland Golf Club, The Baconian Club.

It was in Masonic circles however that Bro. ∴ Cooper with his exceptionally brilliant and versatile mind and charming personality excelled himself as exemplified in the following:

Symbolic Masonry:—St. John's Lodge No. 209A, A.F. & A.M., initiated March 10th, 1881; Passed, June, 9th, 1881; Raised, July 28th, 1881; Elected Wor. Master, 1887 and 1888; Elected Honorary Member Nov. 6th, 1925; Past Treasurer, The Tuscan Lodge No. 195 A.F. & A.M., Affiliated, Oct. 5th, 1891.

Grand Lodge:—Grand Junior Warden, 1894; District Deputy London District, 1895; Representative Grand Lodge of Belgium. Past Grand Representative of Porto Rico. Past Member of Board of General Purposes.

Royal Arch Masonry:—St. John's Chapter No. 3, R.A.M. Exalted, 1883; First Principal Z, 1886 (3 years); Past Grand Superintendent; Past Member Executive Board; Past Treasurer; Grand Representative of South Dakota.

Knights Templar:—Richard Coeur de Lion Preceptory No. 4, R.T. & R.M., Joined, 1883; Presiding Preceptor, 1891; Grand Marshal of Sov.: Gr.: Priory, 1892; Provincial Prior, 1893. (Second oldest member in membership).

Member of Peninsular Chapter Royal and Select Masters.

Mystic Shrine:—Member of "Saltanat" Temple, 1886; Charter member Mocha Temple, London. (Oldest member of the Shrine in membership in Canada.)

Scottish Rite:—Lodge of Perfection, Joined, 1887; T.P.G.M., 1899. Rose Croix Chapter, Joined, 1888; M.W. Sov., 1891. Consistory, S.P.R.S., 1897.

In the Supreme Council 33°, he was enrolled as an Honorary Member in October, 1904, and crowned a Sovereign Grand Inspector-General and an Active Member in October, 1924.

In religion Bro.: Cooper was a Presbyterian and at the time of his death he held the honored positions of member of the Board of Managers, member of the Trustee Board and Honorary President of the Bowling Club of New St. James Presbyterian Church.

While conducting the funeral service the minister of the Church, Rev. Dr. Mackay said in part, "We are assembled this afternoon to pay our last tribute of respect to one of God's Noblemen. Bro.: Cooper was a real churchman. He was not one of those who rest content with supporting the Church

with their substance only. He gave of his time and energy as well as of his means. Rarely was he absent from the regular services of the sanctuary and he was always appreciative of an honest effort on the part of his Minister. Bro.: Cooper will be missed, and that greatly, in business, social and religious circles and most of all will be he missed in his home, for while he shone, and brilliantly, in the circles mentioned, it was in the home around his own fireside he appeared to best advantage. It was there we saw the really big soul that was in the man."

In the passing of Bro.: Cooper London has lost one of her most distinguished citizens; Canada has lost one of her most noble and loyal sons and Masonry one of her brightest characters who for clarity of thought, courage, steadiness and unassuming and gentlemanly manner was unsurpassed. Taking him all in all it will be a long while ere we meet his like again.

Besides his widow Bro.: Cooper leaves to mourn his loss two sons, Major Gordon McNeill, who was associated with his father in business, and Ashley Colin, an Engineer with the Power Corporation of Canada, and a niece, Miss Nellie Wilson.

The funeral was largely attended, the Supreme Council being represented by M.: P.: Sov.: Gr.: Commander Ill.: Bro.: Alfred F. Webster 33°; Ill.: Deputy for Ontario, Ill.: Bro.: George Moore 33°, Hamilton, and Ill.: Bro.: Dr. Lewis Riggs 33°, Toronto; Ill.: Bros.: J. E. Keays, Dr. A. E. Sanot, H. C. McBride, C. E. Wheeler, Dr. C. H. Ziegler, James Gray, J. L. Richmond and E. L. Peirce.

To his widow and family sincere sympathy is extended in the loss of their loved one.

ILL.: BRO.: JAMES ISAAC BUCHANAN, 33°

Born August 3rd, 1853. Died January 2nd, 1931.

When those we love are gone and when we know that never again can we see them with mortal eyes, nor ever again in this world hold converse with them, it seems a futile thing that we should lay upon their graves our tokens of affection and respect, and vainly pursue them to the other world with cries of longing and regret. Yet, though words at such a time are but empty things, we speak them with a melancholy pleasure, because it seems to us a worthy thing to do such honor to the dead.

Ill.: Bro.: Buchanan was a well-known and welcome figure in Canadian Masonry. Although he achieved his life success in another country, the ties of birth and patriotic feeling, which bound him to his native land, were never weakened and, though he was a true and loyal citizen of the home of his adoption, he was also in heart and mind a staunch Canadian.

He was born at Hamilton in 1853, the son of the Hon. Isaac Buchanan. He went to school in Hamilton and Galt. He began a commercial life in Canada, when only fifteen years old, but at the age of twenty-four he went to Pennsylvania and from that time until his death he grew and was identified with the progress and prosperity of the city of Pittsburgh.

To detail his work in business and social service is unnecessary. Whenever anything was done in that great city, where he lived which had for its object the good of the many or the few, he was always a willing helper. The list of his activities marks the man's energy and enthusiasm. He was a director of the Pittsburgh Trust Company, the Terminal Trust Company, the Keystone National Bank and of over thirty other corporations. He was a member of the Chamber of Commerce and the Board of Education. He was a life member of many religious, fraternal and academic institutions. His work in the East Liberty Presbyterian Church would alone be a lasting monument to his zeal and Christian faith.

He was made a Mason in Hamilton in The Lodge of Strict Observance at the age of twenty-two. He was a Past Master, a Royal Arch Mason, a Knight Templar and a mem-

ber of the Royal Order of Scotland. His chief love, however, was the Scottish Rite, to which he rendered a wonderful service. At the time of his death he was the Dean of Active Members of the Supreme Council of the Northern Jurisdiction, of the U.S.A., in which body his advice and counsel were always sought and highly esteemed. He was an Honorary Member of the Supreme Councils of Canada, Italy and Mexico. He was also a member of all the bodies of the Scottish Rite in the Valley of Hamilton, where his recurring visits were always looked forward to, welcomed and enjoyed. His hosts of friends in the City of his birth especially deplore his death.

His body was laid to rest in Homewood Cemetery, Pittsburgh, in presence of a great concourse of sorrowing citizens on Tuesday, January 6th, 1931.

“Daily the tides of life go ebbing and flowing beside him,
Thousands of throbbing hearts where his is at rest and
forever;
Thousands of aching brains, where his no longer is busy;
Thousands of toiling hands, where his have ceased from
their labours;
Thousands of weary feet, where his have completed
their journey.” —W.M.L.

ILL.: BRO.: GEORGE FLEMING MOORE, 33°

It is with deep regret we announce the passing of George Fleming Moore, 33°, thirteenth Grand Commander of the Southern Supreme Council and the only Emertius Member of that august body. Bro.: Moore died at Rockville, Md., December 4, 1930, at the ripe age of eighty-two years.

In days to come his loved one may erect a monument to his memory, and yet what single granite shaft or marble sarcophagus could half so fittingly enshrine this illustrious brother in the hearts and minds of his fellows as the monumental service he rendered in a full lifetime of endeavor? What more stately evidence of Masonic zeal could be produced than the House of the Temple at Washington, D.C., which inspiring edifice rose majestically skyward during the Grand Commandership of George Fleming Moore and which was dedicated by him with inspiring ceremonies on October 18, 1915?

George Fleming Moore was born at Talladega, Ala., on August 9, 1848. He was educated in the schools of his native town and later entered the University of Virginia, graduating in several courses which included the Department of Law.

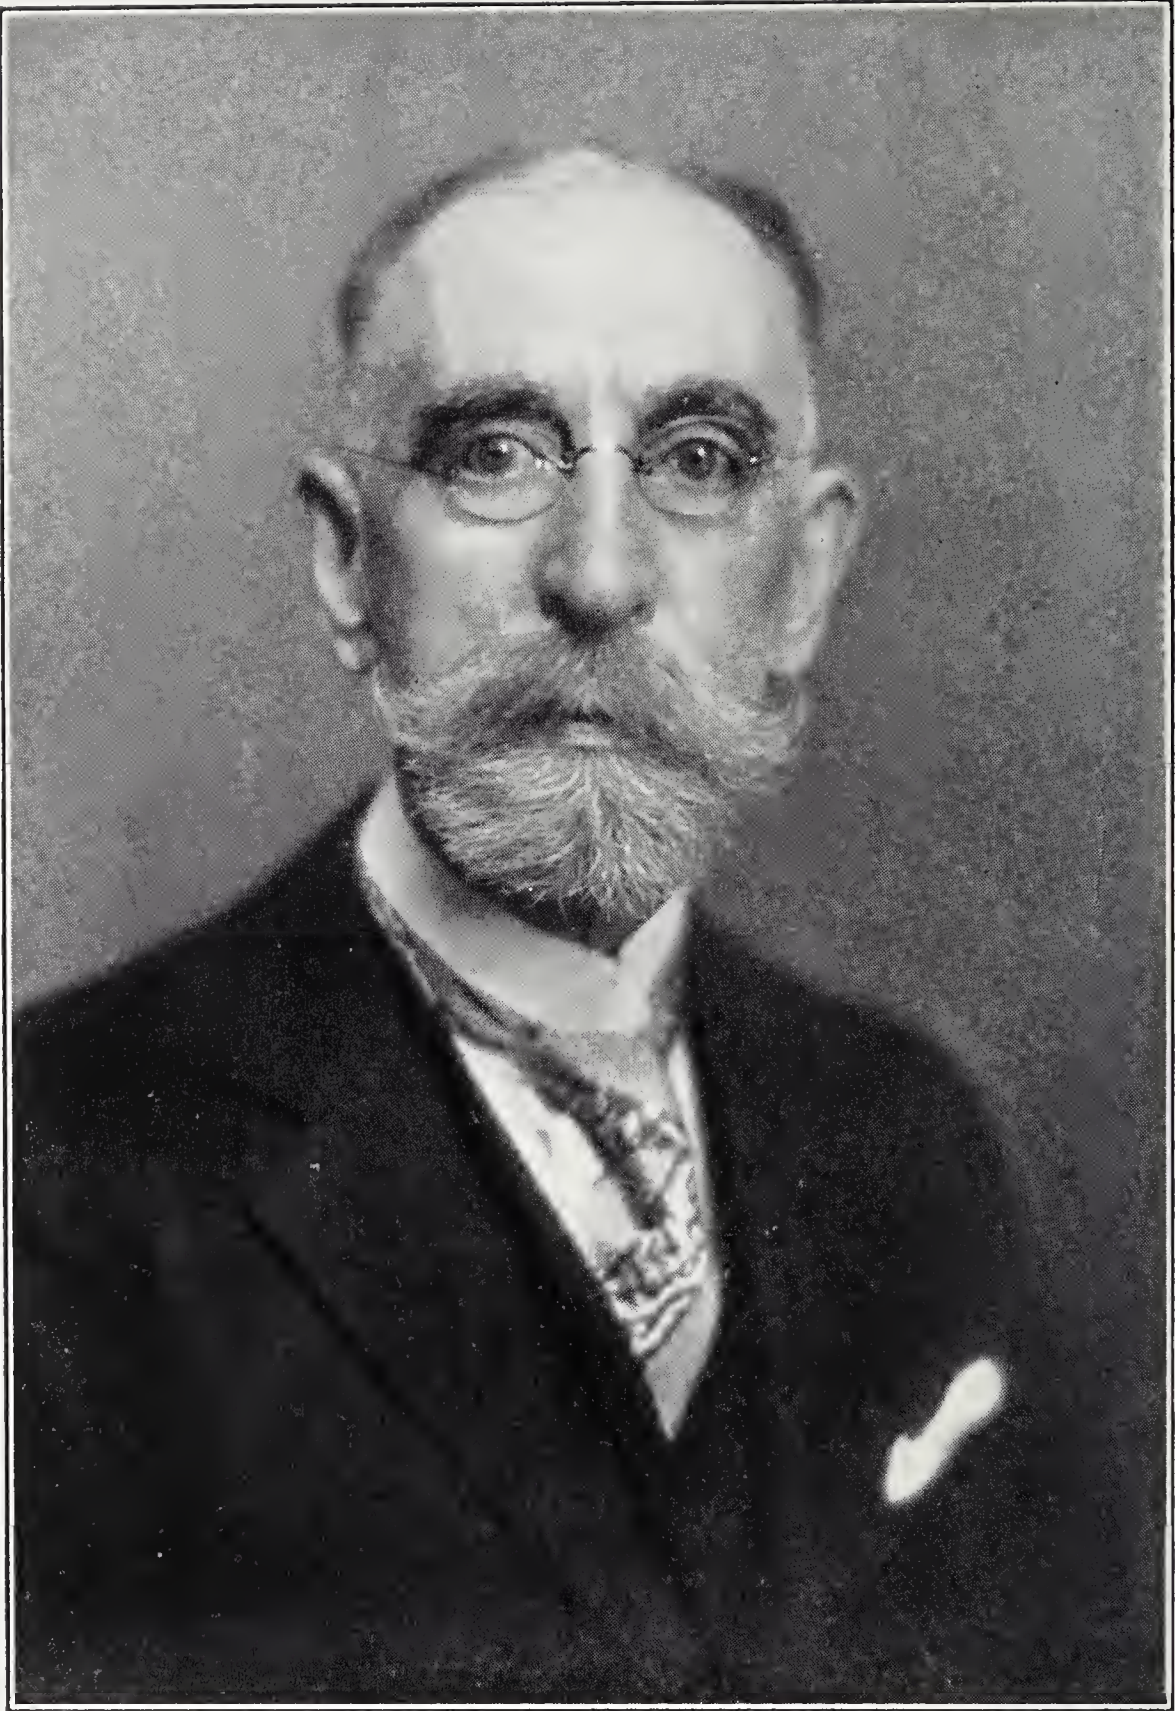

On October 16, 1888 he was crowned by General Pike in Washington, D.C., Sovereign Grand Inspector General in Alabama and an Active Member of the Supreme Council. He held an appointive office in the Supreme Council while Ill.: Bro.: Thomas H. Caswell was Grand Commander, and was successively elected Grand Minister of State, Grand Chancellor, Grand Prior, and Lieutenant Grand Commander. On October 7, 1914, he was elected Sovereign Grand Commander of the Supreme Council of the Thirty-Third Degree, Ancient and Accepted Scottish Rite of Freemasonry, Southern Jurisdiction of the United States, in succession to Ill.: Bro.: James D. Richardson, deceased.

He served as United States Attorney and Deputy Attorney General in Alabama during President Cleveland's first administration, President Harrison's administration, the second administration of President Cleveland, and part of President McKinley's administration. As a member of the legal profession Brother Moore possessed a keen analytical mind, which added to his prestige as Grand Commander. Prior to occupying that high office and as the first editor of

the New Age Magazine, a position he held from 1904 to 1915, he gained an enviable reputation as an authority on Masonic subjects, both historical and of current interest. He was considered a scholar of fine ability and through his illuminating writings laid a ground work of confidence and esteem in the minds of his distinguished colleagues that bore full fruition when he was tendered the highest office within the gift of the Supreme Council.

While at the very pinnacle of success, Bro. Moore was obliged to resign the Grand Commandership, in 1921, owing to ill health. Two years later he resigned as Active Member of the Supreme Council and was elected Emeritus Member of that body. From that date until the day of his death his life was quietly spent in and around Washington, D.C., much of the time in editorial and literary work.

He had many friends among the members of the Supreme Council for Canada, of which he was made an Honorary Member in October, 1915.

GEORGE WILLIAM TAYLOR

ILL.: BRO.: GEORGE WILLIAM TAYLOR, 33°

A life of energy and usefulness was closed when Ill.: Bro.: Taylor passed away on January 27th, 1931.

Bro.: Taylor came into the world in an atmosphere of breeding and culture, which had a very important part in the formation of his character.

He was born at Wenham Massachussets where his father was Pastor of the Congregational Church. He was ninth in descent from John and Priscilla Mullins and inherited many of the sterling qualities of his illustrious ancestors.

He was educated in Massachussets and in early manhood went to Chicago where he entered the Lumber Trade travelling as a salesman, later he settled in Kansas as Manager for his firm. He later entered the Logging and Manufacturing branch and established his own business at Marinette, Wisconsin, retiring from there in 1893, he became General Manager of The Holt Lumber Company of Chicago and retired from business about ten years ago.

Ill.: Bro.: Taylor became a Mason in 1878 joining Lakeside Lodge, Chicago. His business interests led him to locate at Parry Sound where he became interested in the Ancient and Accepted Scottish Rite and in 1917 he became a member of Barrie Lodge of Perfection and Rose Croix Chapter and later the Consistory. To the Scottish Rite he brought not only his active interest but his fine powers of heart and head.

Ill.: Bro.: Taylor was Chairman of a Committee appointed by Barrie Lodge of Perfection to carry out the suggestion of the Sov. Grand Commander for the establishment of a Library in each Valley. He succeeded in gathering a goodly number of books of great value and in his will he left his own excellent library to the Barrie Valley.

Ill.: Bro.: Taylor married Miss Ella Frances Case in Chicago who survives him and to whom the heartfelt sympathy of his many friends is extended.

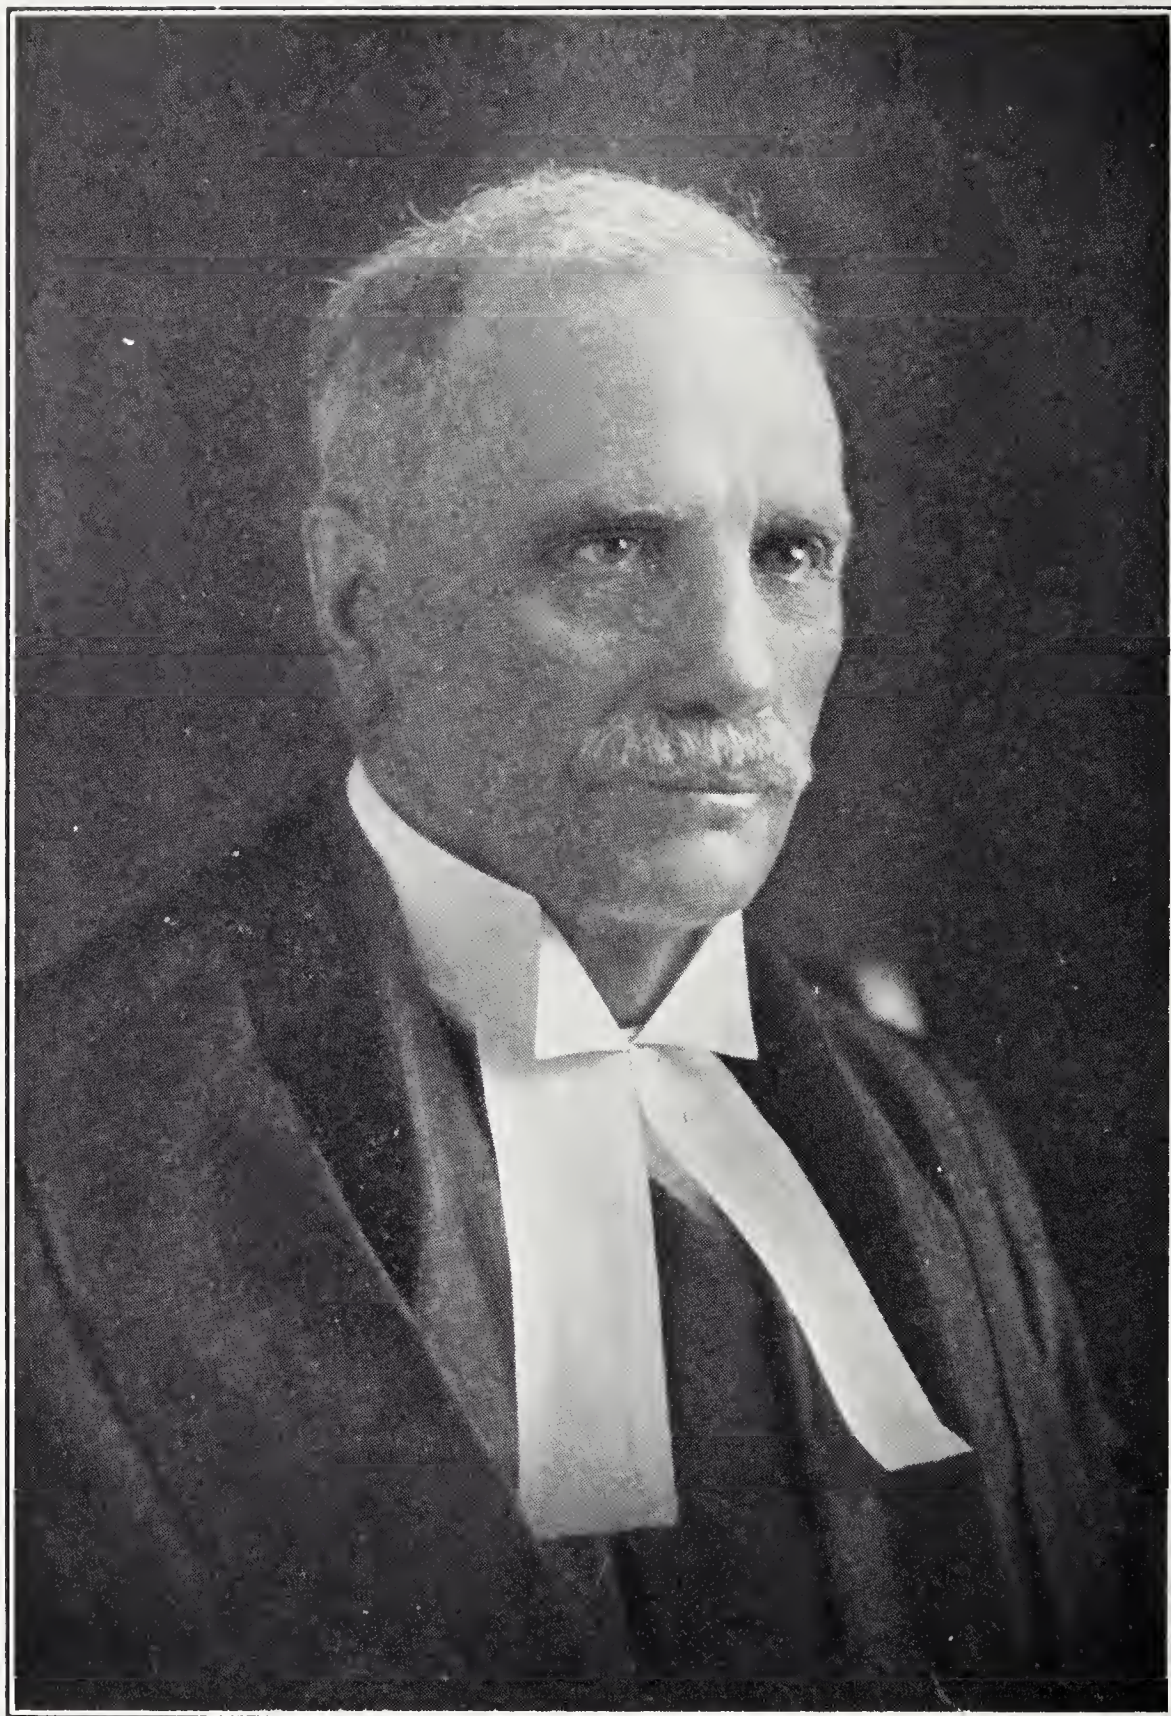

In his contact with those whom he gathered about him he was perfectly kind and courteous and his love and tenderness with little children was the manifest expressions of his gentle nature.

His clergyman said of him, "George W. Taylor was a man of deep religious conviction and never departed from the faith of his fathers; religion with him was more than lip service, it was something he possessed, the care of others always had a place in his heart and their need touched his purse. Of him it can be said, 'He went about doing good'."

When the shadows of evening approached him he was surrounded by many friends who loved him for what he was. He was able to look back unregretfully upon the course of his life and to look forward to the uncharted future with confidence and hope in the Great Architect of the Universe.

Ill.∴ Bro.∴ Taylor had the rank of Honorary Inspector-General 33° conferred on him in October, 1921.

The funeral was held in his home in Burlington, Ontario, and was largely attended by the Masonic fraternity, many members of the Supreme Council being in attendance. Interment in Chicago.—G.M., A.W.S., G.W.T.

HEDLEY CLARENCE TAYLOR

ILL.: BRO.: HEDLEY CLARENCE TAYLOR, 33°

Ill.: Bro.: Hedley Clarence Taylor, 33°, born in Sheffield County, New Brunswick, Sept. 20, 1864. Was educated in the public and high schools of New Brunswick, attended Mount Allison University of New Brunswick, gaining his B.A. degree in 1887, later obtaining his M.A. degree. He took his law course at Ann Arbor, University of Michigan in 1891 receiving his LL.B. degree in 1891. He was called to the Bar in New Brunswick the same year. In the same year he came to Edmonton, Alberta, forming the firm of S. S. and H. C. Taylor. Later the firm became Taylor, Boyle and Parlee. December 1, 1907 he was appointed judge of the District Court which position as senior judge of the District Court he held until his death. He was a member of the Edmonton school board from 1896 to 1908, Chairman of the Board of Alberta College from 1903 to 1920, was on the Board of Governors of the University of Alberta for two years and on the Senate of the University for five years. In 1892 he was the most active in getting the Masonic Lodge at Edmonton restarted and was the first senior warden, later becoming the Master of the Lodge. He made frequent trips from Edmonton to Winnipeg to get the different degrees of the Scottish Rite and was one of those instrumental in starting and making a success of the Scottish Rite in Edmonton, being at different times Master of the Lodges. He spared no pains to be present at and help in all doings of the Rite. He was honoured by being given the 33° honorary in October, 1926, showing his appreciation of the honour by never missing a meeting whenever attendance was possible even altering the dates of his judicial work if possible so as to be present at the meetings.

As a judge he was held in the highest esteem by members of the Bench, the Bar and the public, being honest and fair and always spoken of as a most human man. He was always ready with sympathy and in his speeches always gave some little humorous anecdote to enliven the proceedings.

He was not only respected, he was loved, and the Edmonton Bodies have lost a real friend and an enthusiastic Mason of all degrees.

He was Grand Master of Alberta. He belonged to other orders but always considered his Masonry first.

In religion he belonged to the United Church of which he was always a prominent member.

No one in Edmonton or the District was better liked or respected than the "Old Judge", as he was familiarly called.

He was a member of the Royal Order of Scotland.

He received a public and Masonic funeral at which the Bench and Bar attended and all prominent citizens, besides the Masonic Fraternity.

He died on the 23rd of February in Victoria, B.C., where he had gone for his health.

The brethren in Victoria, B.C. escorted the remains to the boat and at Vancouver the members there superintended the removal of the remains from the boat to the train.

The thanks of the Edmonton brethren are tendered to the two bodies in British Columbia for their courtesy.

Bro.: Taylor was married in 1892 to Bessie Perley Taylor who predeceased him several years ago.

Two sons survive, Gordon Perley, and Harold Stockton, to whom earnest sympathy is extended.—E.A.B.

JOHN STRICKLER MARTIN

THE HONOURABLE JOHN STRICKLER MARTIN, B.A

The moving finger writes and with every stroke of the pen the list grows longer of those "Whom we have loved long since and lost awhile". It is very difficult for one who has known him so well to speak with fitting restraint of the friend who has gone. Perhaps it is well that it should be so, for a plain and simple record of his life and work is a tribute more convincing than any verbal effort however well conceived or ably expressed.

John Strickler Martin, son of George Martin and Clara Strickler, was born on a farm in the Township of Walpole, Haldimand County, on the 11th of October, 1875. He received his early education in the Public and High Schools of the neighboring Village of Port Dover and after his graduation in the University of Toronto in 1897, he returned to take his place on the staff of the High School which he had attended as a boy. But another voice was calling and after seven years of teaching he forsook the school room first for business and later for his chickens and his farm.

Success followed! The number of his customers grew steadily greater. The stock of the Port Dover farm was known and recognized throughout the world and its owner was commonly described as the "Wyandotte King". As far back as 1905 he had been elected President of the Canadian Wyandotte Club. In 1910 he became President of the National Wyandotte Club, and for twelve successive years or more he filled the office of Chairman of the Finance Committee of the American Poultry Association. It was no small achievement to have won for twenty-five successive years the championship of the New York State Fair. And in all this he served his country well.

A man of this type could scarcely hope to escape and he did not desire to escape the duties and burdens of public office. He served on the Municipal Councils of his County and Village, on the Board of Education and the local Hydro Board. In 1923 he entered the arena of Provincial politics, was returned by a handsome majority and became Minister of Agriculture in the first government of the Hon. G. Howard Ferguson. In the subsequent election he was again returned and in 1929 although unable to take any part in the election campaign he was again returned, his majority unimpaired. He continued as a member of the House until his death but his failing

health compelled him to relinquish the duties of his cabinet office in the early Fall of 1930.

He was made a Mason in Erie Lodge in Port Dover, became in due course its Worshipful Master, and was selected by his brethren of Wilson District as their District Deputy Master in 1921. Due to his efforts a fitting monument was at last erected to mark the grave of our First Grand Master, Most Worshipful Bro. William Mercer Wilson. In 1923 he was elected a member of the Board of General Purposes. Two years later he became Deputy Grand Master and was installed as Grand Master at the Annual Communication in Guelph in July, 1927. He was a member of the various Scottish Rite bodies in the Valley of Hamilton and of the Royal Order of Scotland and received his 33rd and last Degree in October last.

In the early summer of 1929 his health gave way and for some weeks his life hung in the balance. He recovered sufficiently to resume in part the duties attaching to his office but it was only for a short time. A serious relapse a year ago and another in the Spring of the present year taxed his failing strength beyond the limits of endurance and he passed to his reward on the 13th day of May, 1931.

John Strickler Martin was essentially a man of action. His life, as Dr. Cody expressed it, was a "life of deeds". His college education led him to the farm and not away from it. He brought to the discharge of his duties as Minister of Agriculture a mind well trained and rich in the wisdom born of experience. The need of education, of scientific methods in the tilling of the soil, the raising of stock and marketing was always on his lips. He loved his country with a deep and abiding faith in its resources and its people and he gave all that was in him to securing for the products of Canadian farms their proper recognition in the markets of the world.

But above all he was a man of character. His modesty, his sincerity, his integrity, his instinctive sense of fairness, and his winning personality were the magnets that drew to him a countless host of friends. In his few short years of public life he secured for himself a place that comes to but few in the minds and hearts of the people whom he had served so faithfully and well. In all the wealth of meaning that attaches to the words John Strickler Martin was a "Christian Gentleman". We shall remember him with gratitude and pride for in his private, his public, his Masonic life he set a standard and pointed out the way to better things.—J.A.R.
